Free Voluntary Inspection "MR. MOTORIST"

Will you co-operate and help to rid the Highways of unsafe cars ?

Results from last year's Safety Inspection showed that 85 % of cars inspected had some amall mechanical defect that rendered the car unsafe.

The average cost of adjustment was trifling.

One Headlight glaring into oncoming traffic has caused many accidents and many deaths

The Garage Operators' Association of Ontario has made available qualified mechanics, certified by the Department of Labour, to inspect your cars

Numbered Safety Stickers to show the Police Officers and the world at large that your car, at least, is safe, are available

Do not delay. Have your car inspected to-day.

This Safety Campaign is sponsored by the Garaga Operators' Association of Ontario.

LEADER Capacity Attendance at Amos Anniversary

The Anniversary Services of Amos Church, Dromore, on Sunday again proved a decided success in point of numbers, the sister congregation of Knox, Normanby, as well as the surrounding country, being largely re of presented. The church was filled to capacity, with chairs in the aisles, gallery and vestibule filled at the morning service. In the evening all seats were taken up by an interested audience, who listered to two fine Olive McGuire, with some of her forceful sermons by the Rev. R. J. friends in Durham, took in the ex- Bennie of Acton, an old time friend cursicn from Owen Sound to Midland of our popular pastor, Rev. H. Kaye who introduced him.
