"I wonder if Jim will call tonight?"

Do you day-dream in the evenings? When somebody like Jim is in a distant town and seems ten times as far away as he really is? And then the telephone bell rings—and there's Jim!

"Hello Jim, I was hoping you'd call!"

Is there ever a time when a cheery voice from far away is not welcome? When the telephone bell announces it you feel grateful that there are still people who think about you—and prove it by Long Distance.

And Jim says: "Only 65¢?"

People who use Long Distance service are always surprised how little it really costs. Ranking with smaller budget items like movies, cigarettes, laundry and shoe repairs, Long Distance telephone calls don't touch your pocketbook seriously—but do always touch your heart.

LONG DISTANCE costs so little!

Jim's call cost only 65¢ and it travelled more than 200 miles. By using low Night Rates applying, as well, all day Sunday—and placing "Anyone" calls—you can talk a long, long way—for just a very little.

The engagement is announced of Margaret Helen Ledingham, daughter of Mrs Ledingham, Weston, and the late Rev. Robert B. Ledingham, to Mr William Lawson, Redmond, B. Sc. of Kirkland Lake, son of Dr and Mrs William C Redmond, of Edmonton. The marriage will take place in Weston Presbyterian Church on August twenty-sixth.
