SWINTON PARK

War in Europe has been first in the minds of most people during the past week. How soon will it come? as it inevitably will come unless Hitler is called away. His departure would be greeted with rejoicing by all.

We were sorry to hear of an accident which befel little Carman, four year old son of Mr and Mrs Fred. Fell of Swamp College. Carman had a favorite calf with which he played and on Saturday evening, while feeding the calves with parents, he was sporting with the calves and in some way, had both jaw bones broken.

No one saw it happen, until they heard him cry. He is in Orangeville hospital, and all hope for a good recovery, Carman.

Hook threshing is the order of the day. Heavy dew and threatening rain makes it difficult. Finished on the Campbell ranch Monday and started at Neil Aldcorn's, Swamp College outfit manned by Clarence Harrison and Bert Scott, is reported doing good work. There are yet many stacks out. Barns are getting full.

An interesting meeting held in the Varney Methodist Church on Tuesday evening resulted in the organization of an Adult Bible Class, of which the following officers were elected: Pres.—Mr Ernest Leeson; Vice-Pres., Mr Earl Mead; Teacher—Rev B. E. Newnam; Secretary—Mr Mansfield Leeson; Treas.—Miss Mamie Mountain.

The first Annual Flower Show held by the active Horticultural Society here resulted in a great success, and the Town Hall on Thursday evening last was an attractive place for both eye and ear were gratified.

The 31st regiment, 83 strong, were given a magnificent send off from Owen Sound on Thursday last. They are now encamped at Valcartier. Capt. Geo. H. Musgrave of Hanover is in command.

When the first bugle notes of the war were sounded in Canada, among the number who answered the call to arms were five Englishmen, employees of the Cement and Furniture Companies in town. Two were reservists who immediately went back to England and the others left to join regiments in towns to the east, where they had formerly resided.

It was a unique Patriotic gathering that assembled on the lawn of Jamieson, M.P.P., on Friday evening last. Called by the ladies of the town to devise and carry out generous measures on behalf of the sick and wounded Canadians likely to result from the bloody war now in progress.

A quiet wedding was solemnized at the home of Mrs Chas. Kennedy on August 19th, when her daughter Susie was joined in wedlock to Mr. Walter Ewing. At twelve o'clock the groom took his place at the altar, and presently the bride leaning on the arm of her brother Charles who gracefully gave her away, took her place by his side.

Mr N. W. Campbell and family have returned from their Muskoka home where they spent an enjoyable summer.

Time and distance are against Germany. His bold stroke to crush France first, then wheel round on Russia has failed, thanks to the Belgians.

Russia is getting into Prussia and on the whole as we go to press the position is hopeful. Terms of peace must be settled in Berlin, the Emperor removed and such conditions made that never again can the world witness such a waste of human life and achievement.

Holstein Corr: Mr Hugh Renwick of Ottawa is home for two or three weeks with his parents at Dromore and Mrs Renwick's mother, Mrs Swanston, where she has been visiting.

The Women's Institute have purchased twenty-one seats from the Latter Day Saints' body and which were formerly used in their church. The seats are now being placed in the park.
