Roll on being called was answered by delegates from each town arising. Rev Smith Durham was the only one we saw from that borough. Rev'd A. R. Muir, G. R. McMillan and W. H. SWINTON PARK

Notable events of last week in the Park were the meeting of the W.M.S. and Ladies' Aid on Wednesday at the home of Mrs Gordon McLeod, when 30 ladies were present, not all of one denomination, but all of one desire, to help make this country a place of hope and cheer; a get-together enjoyed by all the ladies. And while the ladies were in session, a number of men also met at the church, and removed the old steps and platform, which was becoming dangerous and replaced them with cement steps and platform, also a strong, neat iron railing. A good job, well done at small cost, as most labor was gratuitous.

Then at the School; No. 7, were Elliot Rodgers and Jack McNeill, taking off the old shingles and putting on new ones. As the weather was unsettled, and rain threatening, it rather inconvenienced them as they could only strip a small part at a time, but Jack and Elliot, are experts at that work, and a good new roof is the result.

On Friday night at Black's Beach the dance promised in connection with the barn raising on the Campbell ranch sometime ago, was enjoyed by a large crowd, as all those who had helped at the barn were invited. They with their wives and families, and many others who feel at home every place, were present. Good music by the Haw's and Coheens was supplied and everyone enjoyed a dance between the areas of eight and eight-one, as one lad who celebrated his eightieth birthday last May, could not keep his feet still. There were several of the white-headed boys and some ladies present. John Campbell, wife daughter and niece, came from Toronto, bringing with them the necessary refreshments and a good mid-night lunch was enjoyed by all.

Next Sunday Antebellum Services will be held in the Park at 2 and 4 p.m. Mr Joseph MacEachern of Wawan

A bunch of very pleased officials were those of South Grey Agricultural Society on Friday night when their two-day show closed, having enjoyed good weather, a crowd that brought gate receipts to about \$160, the largest ever, and a wealth and class of exhibits well up to and even above the average as to quantity and quality.

It's a Boy! Even as you read this, some Father somewhere is rushing this news to relatives. No matter where they are or what time it is—his first impulse is to let them know!

It's a Boy! And that is also true of Aunts (and Uncles) and all the in-laws. Before Baby is half an hour old his arrival is celebrated far and wide—and he is endowed with a dozen names.

It's a Boy! To Grandparents another chapter of Family History begins. Their grandparents may have waited for days before they had good news like this, but that was before the telephone—and Long Distance—became part of our everyday existence.

Spread Good News by LONG DISTANCE! Look in your telephone directory and you'll find that by using Low Night Rates (also applying all day Sunday) and placing "Anyone" calls you can talk to nearby towns or Provinces for much less than you expected.
