Enlisting for King and Country

While no recruits are yet being accepted in the Grey-Simcoe regiment, voluntary recruiting is now open in some other districts and the past week or two a number of local boys have offered their services elsewhere for overseas service.

Dr. A. A. Backus, Durham, has signed up with the Royal Canadian Army Service Corps; and Stanley Falkingham, Ross Cain and Bill Bailey of town, with the Perth Regiment at Stratford. The two former are now in training in machine gun unit, while Bailey joined up Monday and is home on leave until Saturday, when he reports, and will join the band which is to be formed in connection with that Regiment. Milton Monto of Hutton Hill has signed up with the 100th battery at Listowel, while W. Parks and W. B. Allison of Bentinck have joined the 97th battery at Walkerton. Gledie Long of town has enlisted in Toronto.

Barister R. B. Burns of Welland, formerly of Durham, son-in-law of Mrs. E. Kress, has joined the 10th Artillery unit at St. Catharines. He holds the rank of captain, but will be an acting lieutenant at present, as training officer.

Al Branden in Durham for a few months recently, has joined the Army Service Corps in London. All will train in Canada and will probably go overseas in six to twelve months, if the war is still in progress at that time.

LITTLE BUSINESS

Monday's town Council's session was quiet, with no outstanding problems to face.

Coln. McGowan reported a pleasant and profitable visit of Mt. Forest fire brigade members with Durham brigade.

Relief accounts amounting to \$71.70 for Sept., and general accounts of \$449.06 were passed.

Fingold of Mt. Forest, did not retain his picture show in Durham town hall for year, as contracted, and didn't wish to pay full price for balance of year. Council offered settlement for \$62.50.

The large frame building owned by town in upper town, the former Davis property, is to get a new roof and other repairs, to be habitable for tenants.

Canadian Greys Chapter I.O.D.E. held their regular monthly meeting at the home of Mrs. Irving Elvidge, on Tuesday, Oct. 3rd, with twenty members present. JOHN BAILEY

After an illness of nearly three years, John Bailey, resident on Mill St., Durham, for the past two years, passed away on Friday in his sixty-ninth year. He had been bedfast for seven weeks. The late Mr. Bailey was born on the present Harry Reay farm in Bentinck, and was a lifelong resident of that township until he retired to Durham. In 1895, he was wedded to Nancy McFadden, who survives him with three daughters: Mrs. Geo. Almost 400 tons of fertilizer have been mixed and disposed of this season by the Durham U. F. O. Farmers' Fertilizer Club, a considerable increase over last year. This is a lot of fertilizer to handle, and reveals that local farmers are improving their soil and producing better crops.

Car Bumped into Two Parked Cars

While backing away from the curb on Lambton St. near the Bank of Commerce corner last week, William Woolaghan of Allenford, a former resident of Darkies Corner in Glenelg, bumped into G. C. Webster's parked car, and also side-swiped a car owned by Alfred Weppeler of Glenelg. Then Woolaghan hit a trailer behind the Weppeler car, causing considerable damage to fenders, etc. A charge of careless driving has been laid against Woolaghan, trial being set for October 20th.

Silk Hosiery Prices Soar.

As a direct outcome of the war, silk prices have gone sky-rocketing, which naturally has an adverse effect on silk hosiery sales. Allen Bros. of Hanover, silk hosiery manufacturers, state that not so long ago, silk could be imported from Japan and sold to Canadian mills by supply houses in United States at 1.70 a pound. Now it is up to over \$3.00 a pound, and hosiery men fear that the experience of the last war may be repeated whereby silk went as high as \$5 a pound. Another unfavorable factor is the exchange rate between Canada and the United States. As compared with the old price \$1.70 a pound, hosiery men are now paying \$3 a pound, plus at least 10 per cent. exchange, a total of 3.30, making their net cost almost double what it recently was.

HAROLD BROWN TURNS DOWN PRO. OFFER

Harold Brown husky Meaford athlete who won the broad jump for Canada at the last British Empire games, returned unsigned a contract offered by Cleveland Indians of the American Baseball league. Brown, southpaw pitcher for Meaford Knights, champions of the Bruce League, had two reasons for turning down the offer, which stipulated he would be sent for seasoning to Springfield of the Mid-Atlantic League if he made the grade. Said Harold: 'I don't feel there is any future in professional baseball for me and I don't think I'm good enough for it.' Besides, he wishes to complete his university course before making any decision.
