

A Call TO SERVICE on the Economic Front

"Materials and money count for so much in this war that a resolute, loyal and enthusiastic economic front line may be the determining factor."

P. Ramage
MINISTER OF FINANCE.

To your restless question "When can I help win this war?"—the answer is NOW. On Monday next, the Government of the Dominion of Canada will offer the First War Loan. The purpose of this Loan is to provide money to carry on the war, not only on the battlefields, but all along the Economic Front.

Let us explain what the Economic Front means. It means a war in which the entire natural, industrial and financial resources of the country are used to defeat the enemy. It means a "total war" in which every citizen takes a part, in which his personal resources must support those of the Nation.

In such a war, one of the chief weapons is money. Where is this money to come from? There is only one answer. It must come—and come voluntarily—from the savings of our people. The difference between us and the Germans is that we, of our own free will, lend our money—it is not ruthlessly taken away.

This is your opportunity to do your part in this struggle against Hitlerism. The eyes of the world are upon you, upon Canada, one of the strongest members of the British Commonwealth. Canadians must show that their strength, their courage and their resources are all in this fight against "brute force, bad faith, injustice, aggression and persecution."

The news of the success of this Loan must go ringing round the world.

Be ready to buy War Loan Bonds. They will have the proven safety and salability of Dominion of Canada obligations. Any Investment Dealer or Chartered Bank will take your subscription. The quicker the economic war is won, the greater will be the saving of human lives... the swifter the collapse of the enemy.

WHO WILL BE GREY'S

1940 WARDEN?
When Grey County Council opens its January session next Tuesday, Jan. 16, the first business will be the selection of a Warden. Two who are prominently mentioned for the office are Reeve Wm. Jack of Proton, and Reeve Wm. McGregor of Sydenham. The Review also heard a rumour that Reeve Austin Ball of Hanover, who lost out two years ago, may again be in the field. We rather expect a vote to decide the winner of the County's highest seat.

READY FOR THE

NEW WAR LOAN
In preparation for Canada's first war loan effort of the new world war, a National War Loan Committee and a National Subscription Committee are in process of formation across Canada, and will be organized in time for the initial effort on the economic war front.

The National War Loan Committee under the chairmanship of the Hon. J. L. Ralston, K. C., M. P., Minister of Finance, will be composed of five former Ministers of Finance, Canada's nine Provincial Treasurers and more than 200 representative citizens, resident from coast to coast. The five former Ministers of Finance are: the Rt. Hon. Sir Thomas White, the Hon. Sir Henry Drayton, the Rt. Hon. R. B. Bennett, the Hon. E. N. Rhodes and the Hon. Chas. A. Dunning. The nine Provincial Treasurers are Hon. Thane A. Campbell, P. E. I.; Hon. Angus L. Macdonald, Nova Scotia; Hon. C. T. Richard, New Brunswick; Hon. J. A. Matheson, Quebec; Hon. Mitchell F. Hepburn, Ontario; Hon. Stuart S. Garson, Manitoba; Hon. W. J. Patterson, Saskatchewan; Hon. Solon E. Low, Alberta; and Hon. John Hart, British Columbia.

Mr Dunning has also accepted the chairmanship of the National Subscription Committee, which will assist the National War Loan Committee, and will be concerned with the securing of larger subscriptions of a national character. It will be responsible for organizing the work of canvassing the larger institutions and corporations, in addition to stimulating the broader sale of the bonds to the public. This committee will have the active co-operation of investment dealers throughout Canada, a number of whom have already done considerable work in the preliminary organization.

The First War Loan will provide Canadians, as a whole, with their first opportunity to participate in Canada's war effort. To enable everyone to subscribe, it is indicated that bonds will have denominations as low as \$50 each for smaller subscriptions.

In announcing the acceptance by Mr Dunning of the chairmanship of the National Subscription Committee, Mr Ralston said, "Canada is indeed fortunate that Mr Dunning has agreed to undertake this important task. His experience as Minister of Finance and also in connection with the Victory Loan campaign during the last war make him the ideal man for the job."
