Mrs. George Fenton, a well known and highly respected resident of Holstein, died at her home early Tuesday morning after an illness of some months duration from a heart condition. She had been seriously ill for only a week.

The late Mrs. Fenton, whose maiden name was Rachel S. Crawford, was a daughter of the late Mr. and Mrs. Thos. Crawford of Arran township in Bruce County, where she was born nearly 71 years ago. AMONG THE CHURCHES

KNOX W. M. S.

The Afternoon Auxiliary of Knox Church held their first meeting of the year in Queen St. Church parlor on Wednesday. Miss M. McGirr presiding. She prayed for guidance through the year for the nations at war, for our missionaries in China, where mission schools, hospitals, etc., have been bombed and the missionaries are in daily danger. Reports were read from the leaders of the various organizations. It was gratifying to know that the W.M.S. had exceeded its allocation for 1939.

Reference was made and sympathy expressed for the Ramage family on the death of their mother, also for Mrs. J. J. Smith, for the loss of her sister, Miss B. McKenzie. Both were long and devoted members of the W.M.S. Five members died during last year and two left Durham.

Mrs. Rev. Smith gave the worship period. Topic was "The World's Outlook of Jesus." Mrs. H. McKechnie gave a fine paper on "India" One of the most important movements in modern history is India's struggle for political freedom. India has developed a fervent national spirit, and is now demanding self-government. During the World War, India sent 100,000 more soldiers than Australia, New Zealand and Canada combined. The princes were generous givers, and out of the poverty of the great masses of the people, India gave one billion dollars in gifts and war loans. Truly an epoch of sacrifice. Undoubtedly Great Britain has been an outstanding contributor to the national unity of India. But Britain claims that India is not yet ready for self-government. If foreign control were withdrawn, the conflict between Hindus and Mohammedans might lead to civil war. The Christian approach to India was never more promising, and the need for Christian missions was never so great as now. The whole situation calls for faith, courage and hope.

Miss McGirr closed the meeting with prayer.

PRESBYTERIAN W. M. S. The Senior Auxiliary of the Women's Missionary Society held the January meeting at the home of Mrs. James Hepburn on Thursday last. Rev. S. W. Hirtle was present and took the devotional exercises. Plans were made for the shipment of reading matter to the West and also Sunday School literature to families. Mrs. Patterson and Mrs. George Sharp were appointed to visit with the other churches to prepare for the World's Day of Prayer, Feb. 9th. Mrs. Moffat read a well prepared paper on India telling of the work among the Bhils.

The work among the Bhils presents one of the most difficult and yet one of the most hopeful of Central India. It was first begun by our own Presbyterian Church, together with the Irish Presbyterian Church and its missionary society. Among our missionaries there are, Dr. and Mrs. Buchanan, Dr. and Mrs. Maitland, Misses Ruth Buchanan, Maxwell and Robson.

Mrs. J. F. Grant read the chapter from the study book, "Goforth in China." The chapter was entitled, "Gospel Nomads". Rev. Hirtle closed a most interesting and profitable meeting with prayer.

The Evening Auxiliary of the Knox United Church held its first meeting of the New Year on Tuesday, Jan. 16th at the home of Mrs. Clarence McGirr. The meeting was opened with hymn and the Lord's Prayer Miss Barbara Ritchie, the returning Princess made a few appropriate remarks regarding the work of the past year. The minutes of the last meeting were read by Miss E. Twamley including a list of the new officers for year. Miss M. Morton, the treasurer gave her annual report which was very gratifying. The roll call was answered by payment of fees. The study book was presented in a very interesting manner by Mrs. McQueen. A devotional period followed during which the scripture was read by Miss Maude Forrey. The topic was discussed by Miss M. Mortley and prayer was offered by Mrs. I. B. Sharpe. The president closed the meeting with prayer.

GLENELG CENTRE M. C. MET Gleneleg Centre Baptist Mission Circle met at the home of Mrs. Robert MacGillivray with a goodly attendance. Mrs. Nell MacParlane was pianist and also read the scripture lesson from Psalm 67. Mrs. Ernest Blodgett gave an excellent paper on "Strength for the New Year," followed by music. Mrs. Henry Beaton spoke on the "Ten Parables." The topic on "Western Missions" was given by Mrs. Robt. MacGillivray. The roll call was answered

with "Holy Ghost" as the keyword. The president, Mrs. Archie Beaton closed the meeting with a prayer for the New Year.

W. A. OF KNOX CHURCH HELD SUPPER MEETING

The Women's Association of Knox United Church held their first meeting of the New Year, Jan. 15th, in the form of a supper meeting, and about 50 ladies were in attendance to enjoy it. While supper was in progress a splendid program, in Major Bowes style, was conducted by Mrs. D. B. Jamieson in a very efficient manner. The amateurs taking part were, Miss M. Hunter, Mrs. Wolfe, Mrs. Zilliox, Mrs. Chapman, Mrs. Wilson, Mrs. Catton, Mrs. McGirr, and Mrs. Sharp. Miss Bourne and Miss Middleton also entertained with some selections on piano and violin. The numbers were all good, and the judges must have found it hard to decide the winners. Pastor Rev. W. H. Smith presented the prizes to Mrs. Wolfe and Mrs. Zilliox, and also spoke for a few minutes thanking the Women's Association for splendid work they had done in the past year, which was very much appreciated by the Managers of the Church.

Mrs. Gagnon, our president, then took the chair, opened the business meeting, followed by a prayer by Mrs. Mathier and read responsively Psalm 74. The minutes of the last meeting were read and approved, and the roll call answered by 45 members. A vote of thanks was given Miss Hunter, and committees for the beautiful decorations of the church for the Christmas season.

The Treas. Mrs. McLean gave a yearly report, and visiting committees were appointed for January, consisting of Miss M. McGirr, Miss Morton, Mrs. Moore and Mrs. Lawrence. Many letters of appreciation for Christmas remembrances were read by Mrs. Jamieson, and Mrs. Gagnon. Arrangements were made for lunch for annual meeting, also plans were made for a Valentine Tea on February 14th.

VOL. LXII, Mrs. L. Mill Stops Bank

A second attempt to close Bank of Commerce just two weeks after escaped with nearly \$10,000 in cash. The time failed when Mrs. Larry Miller, who was bound, tried only to give an alarm master across the street to a former Duke both Harding, and of excitement.

The robber was a fire siren as he attempted Mr. Miller to escape the vault, he fled on foot, through the hands of residents of the bank. The robber fired a shot which came at Howard Keshley, who took down the B of his car.
