Trees Again Offered Free

Just recently a number of application forms for free trees have come from the Forestry Branch to Grey Co. Branch of the Department of Agriculture. Farmers desiring the trees should write or call at the office for forms. All applications should be forwarded not later than April 1st. Farmers may secure as many trees as they require for new plantings and up to 500 for windbreaks. Farmers plant windbreaks For the past two years an effort has been made by the Grey County Branch of the Department of Agriculture to have farmers plant windbreaks around three sides of their homes. Both barn and house should be enclosed by the planting. Why is the suggestion offered? Because: 1. Increased value of farm. 2. Protection from winds. 3. Beautifying the farm. 4. Beautifying your community. The first point should be emphasized, as too many have not realized that prospective buyers will certainly be attracted by a well planted home. Needless to say attracting attention is the first but most important essential in salesmanship. Surely farmers cannot lose sight of this fact and should at once make a start. Points to remember 1. Use Norway or White Spruce. If Pines are desired, plant Scotch Pine. Either are all right. 2. Plant trees for windbreak purposes about 12 to 15 feet apart in a row. 3. Plant two rows making them 8 feet apart and plant the trees zig-zag or alternate them. This will break the space between the trees. It may seem a long distance but trees grow fast if protected for a couple of years. 4. Plant the trees not closer than 50 feet from the house—75 feet would be better. 5. The trees may be planted in nursery rows but my personal preference is to set down in their permanent location. True, they are small but transplanting kills a percentage unless carefully done. 6. If planted in sod, take the grass off for a space of 2 feet square. 7. Dig sufficiently deep to allow of setting tree as deeply as it has grown in the nursery. 8. When planting, keep trees in a pall of water. (Remember evergreen tree roots exposed to the sun for twenty minutes will be killed). 9. Spread the roots out carefully, fill good surface earth around them until the hole is one-half or three-quarters full, then 10. Take a pall of water and pour it into the hole. Do not stoop but pour the water from as high as possible. This puddles the earth and washes it closely about the roots. 11. Fill in remainder of earth but leave a depression so that the rain will be sure to flow to the tree. If a dry spell should come, either hoe or water for first two years. What proportion of our \$200 Grey County farm homes will make a start in 1940? The time involved will be permanently satisfying, and financially sound. The Grey County Beautification Society are certainly expecting real rural improvements this year. Department of Agriculture, Markdale, Ontario.

AMONG THE CHURCHES GLENELG CENTRE B. M. C. MET AT MRS. ARCHIE BEATON'S Glenelg Baptist Mission Circle met at the home of Mrs. Archie Beaton, Wed. of last week. In the business part of the meeting it was decided that each member make a special contribution to the Missionary Deficit Fund. The Bible reading was given by Mrs Harold Watson followed by 2 min. silence and singing, "Nearer My God To Thee" in memory of the death of Lord Tweedsmuir. Mrs Henry Beaton read part of a Chinese sermon entitled "Making a clean start." The topic being on China, a number of excellent papers were given showing that Christianity has entered many hearts in China. The president closed the meeting with prayer. MINISTER OFFERS "SAFETY" HYMNS FOR SPEEDERS Rev L. C. Miller, Manitou Springs, Colorado, in a safety sermon, suggested speeding motorists should sing these hymns: "At 25 miles an hour, 'I'm but a Stranger Here, Heaven Is My Home'; at 45 miles, 'Nearer My God, To Thee' at 55 miles, 'I'm Nearing the Port and Will Soon be Home'; at 65 miles, 'When the Roll is Called up Yonder I'll Be There'; at 75 miles, 'Lord, I'm Coming Home.'"

which she presented in a very interesting and helpful manner. She was assisted by Mrs R. Padfield, Miss A. Ritchie and Miss N. Gagnon. The scripture was taken by Miss Marion Moore and the topic by Mrs. J. Duffield. The meeting closed with the singing of a patriotic hymn followed by prayer.

IN DAYS OF YORE

25 YEARS AGO (from Review file, Feb. 25th 1915) Messrs. J & J Hunter have bought the stock of Saunders & Aitchison, insolvents, at a rate on the dollar and are selling it off at bargain prices. The Maple Leaf Club surprised the Clerks and many of the rooters at last Tuesday's Town league hockey match when they won by 4-3. The Clerks had possibly the best of the play but Mack Saunders' rushes were thrice effective in goals for the Leafs. McGillivray and McKay were best for the Clerks. Hutton Harry Vollett right P. McKechnie Geo. Kress left Art Whitmore Mr Wm. Scarf's sale of stock, implements and furniture last Friday was favoured with fine weather and proved a big success. A spontaneous feeling in the town that the recent elevation of Dr. Jamieson, representative of South Grey in the Legislature, to the Speakership thereof, should be marked in some way, gave rise to a desire for a public, non-partisan meeting in his honor. Arrangements were accordingly made and on Friday evening last, the Town Hall proved totally inadequate to accommodate the numbers who wished to take part in the demonstration of good will and congratulation. Mr Calder, Reeve of Durham and Warden of Grey County, was appointed to the chair and performed the duties in an efficient and agreeable manner. With him on the platform were the guests of the evening, Dr. Jamieson, C. M. Bowman, M. P. P. for North Bruce and Liberal whip in the Legislature, Mayor Hunter and Mayor Whitton, of Hanover, Reeve Wilson of Hanover, Wm. Calder, Inspector, Campbell, Geo. Binnie, Wm. Irwin, C. Ramage and Rev's Prudham, Whaley and Morris, who all gave brief addresses. Crawford corr: Some ladies are doing knitting for the soldiers. They have 12 pair of socks ready. The purchase of yarn was made through Miss Hobkirk's Sunday School class, who preferred to do so rather than get their annual Christmas presents at the Christmas concert. Mr Thomas Hastie has purchased Mrs Andy Green's farm we understand, for \$2250 and Mr Green has bought a farm near Chesley and is moving some of his machinery We will miss the Green family in church and neighborhood. North Egremont corr: Messrs Wm. Ramage, Wm. Hunter, and Chas Reid left Wednesday for Toronto to attend as delegates from Tartan branch, the Dominion grange meeting. Dromore corr: In the absence of our pastor, Rev. B. M. Smith on Sunday who conducted services in Holstein and Fairbairn, Amos pulpit was ably filled by Messrs G. Lohman and R. Renwick.

Truth needs no alibi. Success cannot be measured in money. Go against nature and it will get you. Think straight and you'll go straight. Common honesty is uncommon in politics. Watch the man who talks of his honesty. A silent fool often gets credit for wisdom. Better to lose your shirt than your self-respect.
