WM. W. ALDCORN

The passing of Wm. W. Aldcorn occurred last week, whose funeral was held on Tuesday last. He was well and favorably known, and the youngest son of Wm. Aldcorn and Jane Knox, natives of Roxborough-shire, Scotland, who came to Quebec City in 1840. Two children were born in Quebec City and seven in Valcartier and the subject of our sketch in Swinton Park on April 8th, 1861.

He was married to Jane Black in 1889 to whom were born five children, Robert, William, Mary and Bertie, who live in Saskatchewan, one other died in infancy. His wife died in 1901, and he was later married in April 1911, to Annabelle McKinnon of Artemesia to whom were born five boys, Charles, Walter Neil, Donald and Thomas. Walter in North Ontario and Donald in Toronto. In the great loss sustained by the relatives, we sorrow deeply and sympathize with them. We always found him sociable, friendly, courteous with a kindly feeling towards others. Our conversation often seemed to run in the same channel as to our likes and dislikes. Service was held in his late residence by the Rev. A. R. Muir, in the absence of the Moderator from Orangeville, delayed by car trouble. The funeral took place to the family plot in Swinton Park cemetery. W. G. Watson, Funeral Director.

A large concourse of friends and neighbors turned out to pay the last tribute of respect to the dead. Notwithstanding the deceased's well-known opposition to a lavish flower display, and the family's request that flowers were gratefully declined, a goodly display was given: The Canada Packers sent a wreath; a pillow by the family, besides other sprays, were in evidence.

The family were all home about the 1st of February, except Mrs. Vicq (Bertie) who came later with her 2 children, and was present when he died.

Congratulations to our hockey club who came out victors in a 10 min. overtime, breaking a tie of 8 by a score of 10 to 8 with Faversham. A return game is scheduled for Saturday night at Markdale. Best of luck boys!

Mr John McLean is confined to bed as a result of a bad cold contracted lately. We hope for a speedy recovery.

Still no let up of winter, snowing and storming "to beat the band," while we write. We won't waste a bit of sympathy on the early crow, he should have known better. Happy birthday to Mr H. B. McLean, Priceville on the 20th and to his wife, Mrs H. B. McLean, Priceville on the 22nd, both of the same year.

We learn to day (Friday) of the death of Miss Simpson after a lengthy illness, borne with Christian fortitude. Our sympathy goes out to sor-

rowing ones, over the passing of those near and dear unto them.

SWINTON PARK

This week it is our sad lot to report the death of a dear brother, William Walter Aldcorn of Priceville who died in his home at Priceville on Saturday, March 9th after several months of failing health. Under Dr Milne's of Fiesherton careful treatment and home nursing of Mrs, Aldcorn and sons, everything possible was done to relieve or benefit the stricken one, but Death was in the end. For a long time no hope was held out for his recovery, yet Mrs. Aldcorn and family kept hoping on. At New Year's the absent members of the family were all able to be home to see their ailing father except one daughter Bertie, (see Mrs. Norman Vicq) of Regina, but six days before her father's death, she came also, and a granddaughter, Mrs Bruce Anderson of Halifax. Both of these ladies are trained nurses, and they greatly cheered up and helped care for the ailing father.

The funeral was held on Tuesday, with service in the home conducted by Rev. Mr. Muir of the United Church, who was hurriedly called upon to do so. Mr Lindsay Simpson of Orangeville, interim moderator of St. Andrew's, was expected for the service, but through car trouble, he failed to make the grade. Sincere thanks are due Rev. Mr Muir for his cheerful readiness and the able manner in which he handled the awkward situation. The burial was in the family plot at Swinton Park. W. G. Watson was undertaker in charge.

The pall bearers were neighbors and intimate friends: Dougald Mc-Dougall, Angus McVicar, Herman McLean, Neil Clark, Frank Reilly, Jno Livingstone, Ed. Heard, John McLean. A very large gathering of friends and acquaintances were present, showing respect for the departed one, and for those left to mourn. There was an abundance of flowers from many points. The day was fine yet cold.

Mr. Aldcorn was born on 8th of April, 1864, at Swinton Park, just lacking one month of 76 years of age. He was twice married, first to Jean Black of this place in 1889. To them were born two sons, Robert of Gouverneur, Sask. and William of Shaunavon, Sask. and two daughters: Mary of Regina College and Mrs N. Vicq (Bertie) of Regina. The deceased's first wife died 38 years ago. Over 30 years ago Mr Aldcorn moved to Priceville and 29 years ago he was married to Annabelle McKinnon of south line, Artemesia. To this union were born five sons: Charles, Neil and Tom at home; Walter on guard duty at Long Lac; and Donald of Toronto, thus leaving Mrs. Aldcorn and two daughters and seven sons, to mourn a kind husband and father, whose chief failing was generosity: always wishing to give wife and family of the good things of this world, and ever ready to help a worthy cause or friend.

There are also one sister Janet, Mrs. Moody of Killarney, Manitoba, and two brothers, James of Melancthon and John of Swinton Park, who will ever remember their younger brother, and a host of other relatives and friends, who will think of a cheerful friend, widely known in this locality. Mr. Aldcorn was a staunch Presbyterian all his life, and a good supporter of his church.

Priceville got away on the right foot Thursday night when they coped a 10-8 decision from the Faversham club in the first game of their series for the Semi-Pro championship. The game was a tough one to lose for the Faversham club. Leading 2-0 at the end of the first and 6-2 at the end of the middle stanza, the Faversham club appeared headed for victory. However in the final frame the winners ran wild to score five goals against Faversham's one and the count was knotted at 7-7.

The contest forced into extra time saw the Priceville team score three goals, while the Faversham six could only muster one. Real star for the Priceville club was youthful Ross McConkey, who scored five of his team's goals. B. Mullins for the losers accounted for four of his team's total.

PRICEVILLE—Goal, Warnick; defence Fooks and McLean; centre Bell; wings, O'Dell and Turnbull; alternates, McVicar, McConkey and Stewart.

FEVERSHAM—Goal, Bowins; defence, Hudson and Moore; centre, A. Springray; wings, B. Springray, and Sled; alternates: B. Mullens E. Mullens and Leopard.

Referee—Bob Phillips, Fiesherton.

IN DAYS OF YORE

25 YEARS AGO

(from Review file March 25th, 1915)
We are happy to be able to announce that an agreement has been reached between Mr McIntyre and the town regarding the Electric Light Plant. No details at present.

On the 17th of March about 70 or 80 of the friends and neighbors of Mr and Mrs John W. McKechnie and family, Rocky Saugen, gathered at his home as a farewell party to say good bye untiedly before they left for their home in Normandy. The curtain was pulled down for 1915 hockey locally last Thursday night when Durham trimmed the Hanover septette a third time by a 3-3 score.

Mr and Mrs Chas. McKinnon left Saturday to return to Alberta after visiting the past three months with the former's relatives at Priceville and the latter's parents, Mr and Mrs J. P. Hunter.

The Kaiser still holds the 20 mile strip of Belgian coastline though Belgians, British and French are nibbling forward. The great onward movement will be due early in April and great losses will no doubt take place.

A great German drive towards Calais is being planned again and will have to be met by British troops largely. They can't get through.

Varney Corr: After an absence of almost one year in Hamilton, Miss Lizzie Allen, only daughter of Mrs. L. M. Allen, returned to her home on Thursday night. But Mr Wm. Backus, one of Normanby's stalwart prosperous young farmers, did not not allow her to remain long at home, for on Saturday afternoon he called around and the happy couple drove to Dromore, where the Rev. Mr Smith performed the ceremony.

Hopeville Corr: Mr Neil McEachnie, Sr. who has been confined to his bed for 12 years stood his moving fine and is enjoying the change.

Edge Hill: Last Friday night Mrs. Robt. Ector gave a party to about 40 or 50 friends. Dancing was the chief amusement and all kinds of games were played. Miss Irene and Messrs Geo., Will and Thos. Ritchie and Mr Ed Pratt furnished the music. Needless to say it was first class in quality and quantity.

Dromore Corr: Amos pullit was ably filled on Sunday by the Messrs Geo. Lothian and R. Renwick, on account of the illness of our pastor.

Holstein Corr: Word has just reached us this Wednesday morning March 23rd, 1915, that David Allan, Sr., is dead at his home in Holstein.

Shall I Vote for KING or MANION?

There is only one decision to be made by the Canadian people on March 26th . . . It is this: Shall our country's war effort be handed over to unknown, unnamed politicians . . . to a makeshift cabinet with Dr. Manion as the self-appointed leader? Or . . . Shall our country's war effort be continued vigorously and faithfully by the known and proven administration of Mackenzie King? That is the question YOU must answer.

Up a Blind Alley?—or—Out in the Open!

It is time for plain speaking. Dr. Manion's pretence of offering "national" government is sheer political deceit. Because: even if he were elected to office, Dr. Manion could not organize or lead a truly national government. The parliamentary group which might follow him would fail to represent all Canada. It would not represent the people of the national Liberal party. It would not represent the people of the C.C.F. party. It would not represent the people of the historic Conservative party which Dr. Manion has now scuttled.

Do not be deceived! Dr. Manion cannot give you National Government.

The best he might give you would be government by unknown followers. He invites you to follow him up a blind alley—to vote for a government of his own imagination—answerable to some undisclosed political group.

Mackenzie King offers you something entirely in the open . . . the most truly National government Canada has ever known. His parliamentary followers represent the people of every province in Canada—every section of our country—every economic, social and racial group. There is not an area of this country . . . not a single classification of our people . . . without proper representation in the Mackenzie King following.

Mackenzie King's cabinet ministers are well known to you. They are broadly experienced men, eager and able to continue the sort of administration which brought progress to Canada in times of peace and national pride to Canadians since the outbreak of war.

The Mackenzie King administration is answerable to the people of Canada—to no one else.

The Responsibility is Now Yours
Canada is facing the greatest crisis in her history. It is YOUR responsibility to say how she is to deal with this crisis. Therefore: when you go to the polls on March 26th you should consider only what is best for Canada—what is best for the Empire and our allies—what is the sure, direct road to Victory and Peace.

FORWARD WITH MACKENZIE KING
The National Liberal Federation of Canada, Ottawa, Ontario.
