S. Grey Institutes Hold Officers' Rally

A successful Officers' Rally of the eleven Branches of South Grey Women's Institute was held on Tuesday at S.S. No. 9 Glenelg school, with about 60 in attendance. Officers were present from Edge Hill Junior Branch and from Aytun, Dornoch, Dromore, Glenelg, Sunnyside, Royaldale, and Zion Branches.

Mrs. Carl Gebhart of Neustadt, president of South Grey District, presided over the sessions. A minute's silence was observed in memory of the late Mrs. W. J. Derby, a charter member of Durham Institute, after which the hymn "Faith of our Fathers" was sung. Mrs. Clarence Fenington of Holstein led in community singing, and Mrs. Thomas V. Bell rendered a solo, accompanied by Miss Leah McComb.

Mrs. Clarence Hayes of Georgetown from the W. I. Branch, Dept. of Agriculture, was the guest speaker of the day. In the morning she spoke on "Program Planning" and in the afternoon on "Our War Effort." She said the Women's Institute had decided that the best way they could help was in whole hearted support to the Red Cross, and she urged that a War Work convener be appointed in every branch to keep record of everything being done for Red Cross work and report to the Department. She urged that the Institutes sponsor the sale of War Savings stamps and certificates. She explained the W. I. Central War Charities Fund and asked for its support. By special request, Mrs. Hayes repeated the duties of president, secretary, and district director, which she gave last year. She also answered questions in the question hour.

South Glenelg ladies served dinner and afternoon tea, and were tendered a hearty vote of thanks.

Judge Currey's Son Missing

John Currey, 18-year old son of Judge A. B. Currey of Gore Bay, Manitoulin Island, formerly of Durham, has been missing with a boy companion since Sunday afternoon in the shoal infested North Channel. Friends there feared that their speedy motor launch struck a rock and sank, and that the lads drowned.

Works for Red Cross in her 80's.

In renewing her sub for the Review, Mrs. David McCrie of Victoria, B.C., says: "I am still in Victoria this summer and have a Miss Watt staying with me. Am still able to knit socks for Red Cross, but am not so smart as I used to be. I enjoy the home paper and pass it on to a friend from Holstein. Victoria is a very lovely city. A great deal of war activity now and many airplanes going overhead."

Hanover Rector, Goes to Delaware.

Rev. Wallace C. Allison, rector of St. James Anglican Church, Hanover and Christ Church, Allan Park, for the past 14 years, preached his farewell sermon Sunday to large congregations. He is being transferred to the parish of Delaware, Middlesex County, and will take up his new duties on September 1. He was a chaplain with the Canadian forces overseas during the First Great War.

Kincardine Rejects Bev. Room Vote.

Kincardine council, in special session, by a majority vote of 5-2, declined to act on the request of hotel operators that a "beverage room vote" be taken under the L.C.A. regulations. Kincardine has been "dry" for 30 years. Hotelmen were advised by Mayor Marcus that if a petition was presented, signed by 25 per cent of the ratepayers, council must then approve a request to the Liquor Control Board. Just a year ago, beverage rooms were voted down in Ripley.

Equipped Guard with Wooden Rifles.

Victor Catton, an old Durham boy, now many years in Grimsby, is secretary of the Niagara Packers Ltd. there. Recently a group of business men in Grimsby formed a company, and are drilling to prepare themselves for any emergency. It was at first suggested that they use broomsticks, as no rifles could be had, but Victor, assisted by a group from the Volunteer Civil Guard solved the problem by turning out wooden rifles of the exact pattern and size of a Lee Enfield. From a distance of 25 feet, a bystander would think the group were carrying real rifles.

Durham Civil Guard Broadening its Training

The Durham Volunteer Civil Guard now about 160 strong, and composed entirely of town citizens, has usually a 75 per cent or better turnout at its Monday and Friday drills. The men are now pretty well schooled in squad drill, and have had several route marches, the last on Monday night being a two-mile tramp to the southern limits and back to school grounds. The rink is being used for training when necessary, now that the daylight is growing shorter.

Last week the Guard were furnished with arm bands with the words, "Volunteer Civil Guard." Last Friday night the platoons were divided up into groups, who were placed to guard the several entrances into town, the water tank, hydro station, etc. Next Friday evening it is planned to have three young chaps as signallers with each of the four companies.

The Guard is to be inspected soon by Deputy Com. McCready of the Provincial Police, but Commanding Officer J. B. Duffield has not as yet received definite word of the date.

Militia Boys Back from Niagara Camp

Bronzed and toughened by their thirteen days of training at Niagara-on-the-Lake military camp, 56 members of No. 4 Co. Grey and Simcoe Foresters N.P.A.M., arrived back in Durham by special train about 7.15 p.m. on Saturday night. For many of the boys, it was the first taste of military life, and they enjoyed it, with the exception that some of the meals at the start were served rather cold. Officers were greatly pleased with the manner in which the company had come along. Their charges had learned quickly and during the short time they had been under canvas, their appearance on the parade ground had improved magnificently.

The eight hundred men of the Grey and Simcoe Foresters were one of the first three non-permanent regiments to go into camp. With them at Niagara were regiments from Brantford and Sault Ste. Marie. All companies left for their homes on Saturday however, making the trip from Niagara-on-the-Lake by boat to Toronto, and from Toronto by special train to the points from which they had come.

Although the men were worked steadily while at camp, every one appeared to have benefited from his sojourn there. Drill was carried on every day, the men rising at 6 a.m. as do their Active Service comrades, in order to get an early start. Weather conditions were hardly ideal, the first week being featured by extremely hot weather and sun, and the second by cold and rain, however camp routine went along smoothly and efficiently. Camp is finished for this militia company now, but their training has just begun. Drill will be carried on three nights a week and classes will be started at once to enable some of those who were named to non-commissioned officers' posts to qualify for their stripes.

Top Cliffe School Closed.

Top Cliffe school board, South Glenelg, met on August 21 and closed the school for one year. There are only two pupils, one in the Entrance class and a beginner. These will be transported to another school.

Barbour-Milligan

A quiet wedding was solemnized at Alcona Beach, Barrie, on Wednesday afternoon, the summer home of Rev. Lou's Pickering of Hanover, when Helen Margaret, younger daughter, of Mr and Mrs John Milligan of R. R. 1, Hanover, was united in marriage to Mr Wilfred Norman Barbour, Durham, only son of Mr and Mrs Robt. Barbour. The bride wore a grey tailor-made suit with navy accessories, corsage of gardenies. The only attendants were Mr and Mrs A. Marshall of Hampden, the latter a sister of the bride. After the ceremony Mr and Mrs Barbour left for the North and on their return, will reside in Durham

J. Hamilton Wins Home Imp. Contest

Mr. John Hamilton of Glenelg, is this year the winner by a large margin in the Durham Agricultural Society's Home Improvement Contest. Last year he came a close second to the winner, Mr Wm. Bogle of Varney. Points are given for the greatest improvement shown during the spring and summer months in painting, decorating, cleaning and tidying up, or otherwise improving the surroundings of the farm home. Just across the road from Mr. Hamilton, is the second place winner, Joseph McCaslin, with 240 points awarded. It will pay the citizens to take a jaunt out to these homes immediately east of Durham, and view their present spic and span condition. Mr H. A. Ross of Mount Forest, was the judge.

As Mr. Hamilton was also first prize winner in Durham A.K. Society field crop competition, announced in last week's Review, he is to be doubly congratulated on the farm laurels he is justly winning. John will not require any larger hat in his daily tasks, but has good reason for oration. The winners, in order of merit, with points awarded for improvements shown, are as follows:

1. John Hamilton 325
2. Jos. McCaslin 240
3. Harold Barber 200
4. R. C. Robinson 195
5. Thomas V. Bell 170
6. John A. McGirr 165
7. W. J. Derby 155
8. James Milligan 150
9. F. R. Murdoch 130
10. J. R. Edwards 120
11. W. J. Ritchie 115
12. Arthur Edge 110
13. J. F. Crutechley 90
14. Wm. Bogle 80
15. W. G. Firth 75
16. Geo. D. Allen 65
17. W. A. Lindsay 60

Death of Mrs. Wm. J. Derby

After about a month's illness from goitre trouble, Mrs. Wm. J. Derby of South Bentinck, passed away in Durham hospital on Saturday last, at the age of 79 years. Ten days previous to her death, she was taken to hospital, but with the best of care and medical attention, little could be done to alleviate her suffering.

The late Mrs. Derby was formerly Margaret Minto Meyer, daughter of the late Andrew and Elizabeth Meyer, and was born in Galt on May 23, 1861. When she was two years of age, the family removed to Bentinck, one and a quarter miles south of Allan Park, since when she has been a continuous resident of South Bentinck. In December 1894, she was wedded to William J. Derby, after which she lived on the same line, a couple miles farther east. Surviving are the bereaved husband, one son, Arthur, and a daughter, Miss Ethel, both at home. Of a family of four, two brothers yet survive, John Meyer of Weston, and Andrew, west of Allan Park.

Mrs. Derby was a charter member of Durham Women's Institute, which was organized in March 1902. She was an earnest member and worker in Knox United Church, Durham, where for many years she has been active in the work of the Women's Missionary Society. The cause of Missions was very dear to her heart. In her home and social life, she was of a cheerful and warm-hearted nature, and many in the community outside of the bereaved family and relatives, will mourn her passing as a neighbor and true friend.

The funeral on Monday afternoon, from the home, conducted by her pastor, Rev. W. H. Smith, was very largely attended. The floral tokens were carried by George Bell, Lorne Smith, John Derby and Wm. Ritchie, Bentinck. The pallbearers were Jas. Corbett, Norman McDonald, William Derby Jr., James Milligan, James Smith, George Smith. The remains were laid to rest in Durham cemetery. The friends from a distance were: John Meyer and Mrs. A. Smart from Weston; Mrs. T. Mauer and James Davison from Paris; Mrs. Wm. Newstead from Moorefield; Mrs. Jessie Bradley from Toronto; John Derby, Mrs. John Cleghorn, Mr. and Mrs. Gordon Cleghorn and Mrs. John Henderson, all from Guelph; Mr. Lorne Smith, from Mount Forest.

Sunday, September 8th Day of National Prayer

Canada and the United Kingdom at the request of His Majesty the King, will observe a day of national prayer on Sunday, Sept. 8th, first Sunday after the first anniversary of the outbreak of war, Prime Minister MacKenzie King announced.

"His majesty's government in Canada believes that Canadians generally will desire to associate themselves with the people of the United Kingdom in this observance," Mr. King said. "The government, therefore, requests the clergy of all churches in Canada to arrange in preparing for services on Sunday, Sept. 8, that day shall be observed by their congregations as a day of national prayer and intercession. Prayer during the present war has been a great bulwark of the democratic cause. Prayer to statesmen has meant not only a period of meditation, but of thankfulness. Let us not forget all peoples of all races who need a guiding hand of a sympathetic and kindly God such as you and I know."

E. Roseborough's Mother Killed in Car Crash

Mrs. Wm. Roseborough, of Owen Sound, aged 83 years, was instantly killed about 3.45 o'clock on Friday afternoon, when a motor car owned and driven by her son-in-law, Harry S. Vanstone also of Owen Sound, in which she was a rear seat passenger was side-swiped by a car owned and driven by Irving Blythe of 240 Balmoral avenue north, Hamilton, about half a mile east of the village of Hopworth. Mr. Vanstone received several injuries, which included a laceration on the upper right side of the head, a badly bruised right knee and a strained back, while he also suffered from shock. Other passengers in the car were Mrs. Vanstone and Mrs. Alice Pease, Toronto, another daughter of Mrs. Roseborough, who was riding in the rear seat with her mother. Aside from a few minor bruises and shock, they escaped injury.

Mr. Vanstone and his passengers were on their way to Sauble Beach, and shortly before reaching Hepworth the car driven by Mr. Blythe, travelling in the same direction and from behind and endeavoring to pass the Vanstone car. In doing so, the right front side of his car came into contact with the rear bumper on the Vanstone car, with the result that the latter was thrown upside down on the south side of the road, and it is claimed that landing in the ditch, it turned over a couple of times. When the car came to a stop, it was facing east, the exact opposite direction from which it was travelling. Mr. Blythe's car remained on the road, and the damage to it was comparatively slight, a badly bent front right fender and some scratches on the side being the extent of the damage. As soon as the Vanstone car came to rest, the occupants made an effort to release themselves, and with the assistance of passing motorists succeeded in doing so, with the exception of Mrs. Roseborough. In order to get her out, it was necessary to cut the top off the car, although it had been ascertained before that she was beyond human aid.

The late Mrs. Roseborough, who would have celebrated her 83rd birthday on Sunday, and in whose honor a birthday party was planned for Saturday night, was a native of St. Vincent township. She has made her home in Owen Sound for the past 36 years. Her husband, William Roseborough predeceased her about six years ago. For a woman of her advanced years, Mrs. Roseborough had enjoyed excellent health, and was bright and cheerful at all times. She is survived by nine children, one of whom is Ernest Roseborough, west of Durham. Medical diagnosis attributed Mrs. Roseborough's death to hemorrhage of the lung. She was alive when removed from the wrecked car and spoke once but her death came swiftly and painlessly.

Announcement has been made of the appointment of County Constable Russell J. Pollard of Belwood, as chief constable at Harriston. His duties will commence on Sept. 1.

Schools Will Reopen Tuesday, Sept. 3rd

Durham Public and High Schools will reopen for the fall term at usual time, on Tuesday, Sept. 3rd. The same staffs have been reengaged. Much of the High School has been redecorated during the vacation. Any pupils wishing to help out in farm work for a few weeks may secure special leave, and an effort will be made on their return to get them caught up with their classes in subjects taken.

Town Registration is Complete

In last week's Review, we commented that with only 1158 registered in Durham's population of 1850, registration was about 200 short of what it should be. This is explained by the Furniture Co. registration by themselves of 193, which was not included in the 1158 total. There were also about 35 town boys with the Militia at Niagara Camp who were unregistered. Thus Durham's total registration really is 1351, and with the soldier boys, would reach almost 1400.

OBITUARY

EDWARD T. TEETER

At the home of his son John here Edward Thornton Teeter passed away Saturday night, in his 61st year. He had been an employee of the Canadian Pacific Railway the last 20 years. Seven years ago he was injured in an accident, which culminated in him being unable to work for the last two years.
