Canadian Red Cross Requires Your Utmost Aid

It is with what Great Britain is prepared to endure and the sacrifices she is ready to make to defeat the attempt of the enemy to conquer her and destroy the British Empire that this campaign of the Canadian Red Cross Society for funds is principally concerned. It is in the light of what these sacrifices and this suffering may amount to from the ruthless efforts of the enemy that the objective of this campaign has been set at \$5,000,000. We know the spirit of the British people; we know that Hitler cannot conquer Britain, and that because he cannot conquer Britain he cannot win the war. But we know that Britain is going to win through in the end only by enduring the utmost in punishment that the enemy is able to inflict on her, including enormous casualties, and by making any sacrifice necessary to victory. It has been estimated that as many as 270,000 casualties might result from one mass bombing raid on Britain. It is certain that many such raids will be made. British air defences are daily becoming stronger. We may hope that they can prevent the casualties reaching such terrible figures. But we must be prepared for whatever may come.

The principal aim of the Canadian Red Cross at this time is to assist in enabling Britain to endure any punishment in the dauntless fight she is making. Our Canadian airmen and soldiers, our navy fighters too, are over there helping to beat back the enemy from those islands that are the last barrier against the tyrant, the sole safeguard of our freedom. But it is not alone through fighting that Britain will stand unconquered and unquarable. Even more is it through enduring. Britain can endure and will the utmost efforts of the enemy. By her endurance shall we of the British Empire remain free. It is our duty and our proud privilege to help her to bear the losses and suffering of her heroic stand. It is for that the Canadian Red Cross requires your contributions.

Remember that it is Canada's boast that we are united in this war. All the provinces and peoples of Canada are standing shoulder to shoulder. The Canadian Red Cross is not only a symbol but an active agency of our national unity.

Come to Holstein Fair Friday, the 27th of September.

Enrollment in the eight Normal Schools of Ontario so far this year totals 1,120, compared with 1,234 at the same period of 1939. The drop is due largely to war enlistments.

DAYLIGHT SAVING CONTINUED

We have been looking forward to the time—just a few days hence, when all cities in Ontario would be back to Standard Time, after a summer of Daylight Saving. But last week the Government ordered an indefinite extension of D. S. time in all municipalities where it is or has been in force, as a scheme to conserve hydro-electric power. It is estimated by acting premier Nixon that 125,000 horsepower can be saved during the winter. If it supplies more hydro power for war industries, we're right in favour of it. Nothing must cramp Canada's war effort. Why not go the whole distance and legalize every municipality in Ontario and Quebec on Daylight Saving Time?

CANADA'S WAR EFFORT

A Weekly Review of Developments On the Home Front: Sept. 12—19th.

SUMMARY

1. Rt. Hon. Winston Churchill cabled to the Prime Minister of Canada: "The fine Canadian divisions which are standing guard with us will play a notable part should the enemy succeed in setting foot on our shores. I am very glad to have this opportunity of thanking you personally for all that you have done for the common cause and especially in promoting a harmony of sentiment throughout the new world. This deep understanding will be a dominant factor in the rescue of Europe from a relapse into the dark ages."

Mr. Churchill's cable was in reply to one from Mr. Mackenzie King expressing the loyal support of the Canadian people.

2. Wartime Prices and Trade Board given power to "provide safeguards" against "undue enhancement of rentals."

3. Arrangements made to train 22,900 young Canadians in war industries.

4. Announced that increased exports to the United Kingdom have exhausted Canada's big surplus of bacon.

5. Regulations adopted to restrain dealing with or assisting ships calling at Canadian ports or in high seas not carrying a ship's privilege license.

6. Organization of the Department of War Services with four main divisions: (a) Human resources; (b) material resources; (c) voluntary services; (d) publicity.

7. Proclamation issued calling single men and childless widowers in the 21 to 24 year classes for 30 days military training for home defence. The 21-year-old men will train first. As necessary, registrars will then work upwards to the 24-year class.

8. Sale of imported fuel oil to new oil-burning plants prohibited. Certain exceptions made. Purpose: to conserve American exchange.

9. Dr. Charles Camsell, Deputy Minister of Mines, tours Western Canada in effort to stimulate gold production.

INVESTIGATION SHOWS WHY TOBACCO PARCELS FAIL TO REACH TROOPS

Due to complaints being made of the non-arrival of cigarettes and tobacco packages sent to soldiers of the C.A.S.F. Overseas from Canada, Postmaster General William P. Mulock instituted an immediate investigation of a series of individual cases. The report received today reveals that in no single instance was the alleged loss or delay occasioned through any fault of the Post Office Department, in the cases where the investigations have been completed.

It was found that in some cases however the tobacco, etc., which the soldiers stated had not reached them had not been sent by their friends in Canada. In other instances it was learned that the parcels had been received by the addressee at a later date. Many of the complaints of the non-arrival resulted from the loss, by enemy action, of a steamer, carrying 4000 parcels from one tobacco firm alone, earlier this season. It was proven in all cases investigated that non-receipt of the parcels overseas was not due to misappropriation either at the tobacco companies' quarters or at the Base Army Post Office.

Postmaster General Mulock states that while the Postal Service is doing everything possible to quickly and safely deliver parcels of to-

bacco to Overseas troops, delay is caused because of the failure of certain of the public to address mail matter properly.

This delay occasions disappointment on the part of those who are expecting letters or parcels. Considerable extra burden is also placed on the Post Office Department which is faced with the necessity of searching records in an endeavour to complete the addresses in order that parcels may be safely delivered.

In order that all delay and disappointment may be avoided, and the soldiers receive their parcels and letters promptly it is requested that all persons writing to the troops should carry out the simple mailing rules of completely and legibly addressing letters and parcels, fully prepaying postage, affixing Customs Declarations, as well as carefully packing parcels to withstand the handling they will necessarily be subjected to during transmission Overseas. Among the contents of a parcel a slip of paper should be inserted giving the proper military address of the soldier, as well as the return address of the sender.

Letters or parcels sent to members of the C. A. S. F. Overseas should be addressed as follows: Regimental Number, Rank, Name, Full name of Regiment or Unit, C. A. S. F., Care of Base Post Office, Canada.

SUNNYVIEW WOMEN'S INSTITUTE

Held their Sept. meeting last Thursday at Mrs. Gertrude Trafford's with 35 present. Miss Irene Petty read the 11th Psalm. A motion was carried to donate \$10 to J. O. D. E. and \$10 to Red Cross Society. A shower of jam for the Red Cross is to be the answer to Nov. roll call. The question drawer was conducted by Mrs. Walter McAllister. Mrs. J. Petty took current events. Community singing: Plans were made for the annual at home in October at Mrs. Harry Caldwell's. Roll call was answered by handing in coppers for the copper contest.

Rev. W. H. Smith was the special speaker, and in his topic "Women," he excelled himself. He compared Christian women with the heathen in foreign lands. Some things we eat come from these lands, and it is our business to think of these people, endeavor to raise their standard of living, and carry the gospel to them. Mrs. Trafford and assistants served a fine lunch.

A Red Cross unit has been formed for Hutton Hill section No. 11, and will meet weekly each Wednesday. The first meeting is to be on a Tuesday—on October 1st at Mrs. Robert Hopkins.

MUST NOTIFY REGISTRAR OF CHANGES

A change of address or in matrimonial status in the case of persons liable to be called for military training under the National War Services Regulations must be immediately reported to the divisional registrar in the district where that person resides. Failure to do so will incur penalties or imprisonment.

NEWLY REVEALED TRICKERIES OF THE NAZI SECRET ARMIES

Maurice Brabant, distinguished Belgian author, tells in The American Weekly with the September 29th issue of The Detroit Sunday Times, how prima donnas, professional weepers, writers, fake clergymen, blondes and even musicians undermined the invaded kingdoms and democracy of Europe. The FIRESIDE PHILOSOPHER

If in doubt, don't do it. You can't buy confidence. Hate turns beauty sour. Every religion teaches prayer. Faith begins where reason ends. It is much less trouble to tell the truth. More beautiful than a diamond is a dewdrop. Some people think Americans should be made to fit the Constitution.

AMONG THE CHURCHES Owen Sound Association Baptists Meet in Durham

The Fifty-third Annual Meeting of the Owen Sound Association of Baptist Churches met with the Dprham Baptist Church on Wednesday and Thursday of last week. Mrs. (Rev.) J. T. Priest, President of the Women's Work, presided over the Women's session. Mrs. Priest was re-elected for the coming year; she were Mrs. A. A. Smith, Vice-President, Secretary, Miss Eva Redford, of Durham, and Mrs. W. H. Mason, of Hanover, Directress. The delegates favored a union of the Women's Home and Foreign Mission Boards.

The chief address of the women's session, was given by Rev. John Kaczowka, B. A., of the All Peoples' Mission, St. Catharines. He was born in Poland, of well-to-do parents, was trained in a Monastery for the priesthood, but his search for truth caused his expulsion from the Monastery. He then became an atheist, migrated to the United States, became a Communist, and later in Brantford, Ont., met one of our Mission workers and was converted to Christ. Immediately he desired to spread the Kingdom of God and His righteousness among his own people and other foreigners in Canada. After uniting with the Baptist Church, he attended McMaster University, from which he graduated; his wife working in a factory to furnish the wherewithal all for his education.

The Pastors' and Laymen's Conference was presided over by President, Rev. J. T. Priest, B. A., and helpful discussions were led by Rev. A. P. Wilson B. A., of Paisley; Rev. R. G. Quiggin, B. A. of Owen Sound; J. N. H. Norton, of Warton, and the President of the Baptist Convention of Ontario and Quebec, Mr. Frank Inrig, of Toronto.

The main speakers for the General Session were Rev. Charles Saunders of Bentinck, who gave the Moderator's message; Rev. Harold W. Lang, M. A., B. D., the Editor of Sunday School Publications, spoke on Sunday Work advocating that more scripture be taught in our Sunday Schools, and that the pupils be encouraged to teach themselves by doing some of the work usually done by the teacher. Mr. Frank Inrig, gave a travelogue of our Missionary work in India, illustrated by colored motion pictures taken by himself and Mrs. Inrig during their recent visit to our Mission Fields in India.

Dr. C. H. Schutt, the Superintendent of the Home Missions led an interesting and helpful discussion on the wide scope, accomplishments, and open doors of our Home Mission enterprise. Rev. Dr. A. J. Vining, who for many years has inspired numerous audiences with his native oratory, presented the cause of Western Missions, in which he stressed the wonderful opportunities for Mission work in Peace River District. He marvelled at the wonderful optimistic spirit of the Westerners, and stated that agriculturally the West was coming back again to normal production. He said that now is the time to pour the wealth of our prayers, our efforts, and our money into the Western Mission enterprise.

Dr. Vining was also the inspirational speaker for the Baptist Young Peoples' Rally, which gathered from many directions on Thursday evening. He warned against Worldliness, urged Consecration, and Evangelism. The weather was ideal. The sessions were well attended. Over a hundred delegates registered from twenty-nine Churches, and there were as many visitors.

The new officers of the Association are: President, Rev. John Marshall of Hanover; Vice President, Mr. Lloyd Code, of Hanover; Clerk, Rev. J. W. Edwards, of Leith.

PRES. EVENING AUXILIARY HELD SUPPER

The members and friends of the local Presbyterian Evening Auxiliary enjoyed a supper and social get-together on Tuesday evening in the church basement. After a bountiful repast, all joined in a rousing sing-song, with Mrs. Howell as song leader and Miss Leah McComb at the piano. Games and contests were enjoyed with Elsie Ledingham in charge. The evening was brought to a close with the National Anthem. Much credit is due Miss J. Weir and her willing helpers for a very successful evening. A goodly sum was realized to add to the treasury.

PRESBYTERIAN Y. P. S. On Sunday evening the Rev. S. W. Hirtle held an Installation service,

when the officers of the Young Peoples' Society were installed. His message also was especially for the young people.

On Monday evening, the weekly meeting was held in the form of a weiner roast at "Sandy Desert." Every one enjoyed themselves and received their share of weiners, rolls and marshmallows.

FAIREY "BATTLES" USED IN TRAINING SCHEME

The Fairey "Battle", which has not been used here for training purposes before, is a two-seat medium bomber of British design and manufacture. It is being used in this country by the R.C.A.F. for training purposes, and is one of six aircraft selected for use in connection with the British Commonwealth Training Plan. It is to be used also for towing targets at which air gunners can release bursts of fire, and so increase their efficiency. (R.C.A.F. Photograph)
