### JEHOVAH WITNESSES

#### A PROBLEM TO AUTHORITIES

In Hamilton, a total of 27 children have declined to salute the flag or sing the National Anthem in the schools of that city. To this total may be added many others in various parts of the province.

The children of course, are carrying out the orders of their parents, and the parents in turn are but showing their allegiance to that fanatical organization, Jehovah's Witnesses. Mayor Morrison of Hamilton has declared that there has been enough "backpassing" and "pussyfooting" in this matter, and that parents of children who refuse to salute the flag or sing the National Anthem must be prosecuted. It is stated that the father of one of the children is a caretaker in one of the city schools.

In continuing to send their children to school day after day, following their suspension, it is evident that the Jehovah Witnesses are acting under legal advice and blatantly flouting the authorities. It is a difficult situation, and it may be these fanatics would welcome imprisonment for the sake of being regarded as martyrs in the Cause.

The third annual plowing match of the Bentinck Plowman's Association was held on the farm of Bob Reay at Campbell's Corner, on Wednesday morning and afternoon of last week, and proved to be the most successful they have ever had. There were 24 entries for the eight different classes, and a large number of spectators, including the largest number of the gentle sex ever to attend the Bentinck match. As the match was held only a mile from Hanover, many townspeople took this opportunity to witness the contest.

One feature of the meet was the donation of a silver trophy for boys of 20 and under by the Elmwood branch of the Royal Bank. The presentation was made by the manager of the bank, R. H. Buckingham, to Lloyd Krauter. The cup has to be won twice before it becomes the property of the winner.

Winners of the horse show which followed the plowing were: 1, Garfield Magwood; 2, Walter Weidendorf; 3, Edgar Fursman; 4, Fred Bailey. The judges were several Bentinck township women.

One contest that drew a large crowd of spectators was the free-for-all for professional and business men. ### Jehovah Witnesses Cases Again Adjudged

Mrs Olive Noble, R. R. No 1, Durham; Robert Stephens, Derby Township; Cecil Barfoot, Arthur Spencer and Roy Barfoot, all residents of Keppel Township, charged under the Defence of Canada Regulations with upholding and supporting the principles of an illegal organization, appeared in police court again on Friday morning in accordance with the decision of Magistrate Spereaman to reserve judgment in the cases. The Magistrate stated that he was in receipt of a letter from the Counsel for the accused asking for a further adjournment of the case until Monday, October 21st, as it would be impossible for him to appear before that date. Accordingly he adjourned the cases until the above date.

The charges laid against the above accused arose out of alleged instructions given to the children of accused not to sing the National Anthem or salute the British flag at their respective schools. The parents claimed that they were witnesses for Jehovah and that they would not serve any king but Him.

Durham Volunteer Guard will drill only one night weekly during winter months—each Thursday night at 7.00 p.m.

### Voluntary Aid Asks for More Knitters

The usual weekly meeting of the Voluntary Aid to the Red Cross took place on Tuesday afternoon in the school room of Queen St. United Church. There were 46 members present. The meeting opened with the National Anthem played by Mrs. L. Atcherson. The "refugee sewing" is coming along quite satisfactorily and the ladies are ready for the new shipment of materials, which is expected to arrive at any time.

Letters of appreciation from boys who have received gifts of sweaters and socks, were read. It is interesting to note at this time that 93 sweaters and 95 pairs of socks have already been given out. The members are anxious that these boys should receive helmets and half mittens at Christmas. This is to be a gift donated by the ladies of the Voluntary Aid, quite independent of what the Red Cross itself may decide to do. For this purpose at least 58 more helmets and considerably more than that number of half mittens are still required to be knitted, and the ladies would very much appreciate help with the knitting of these goods.

To obtain the necessary postage for shipment of these articles, the members have decided to impose a ten cent levy on each member. This in addition to the amount raised at the next 10c monthly tea should cover the amount required. The meeting closed by repeating the Lord's Prayer led by Miss Vickerson.

### CANADA TO HAVE NEW SHORT WAVE RADIO STATION

A "partial" answer to the demands in Parliament and the press for a powerful short wave radio station to carry Canada's voice into other countries is given, the Canadian Broadcasting Corporation announced on Friday, in the beginning of such a station at Quebec.

The new station, costing some \$60,000, will be ready for operation in December.

The station will be so designed that its power may be stepped up by the building of additional units.

The station will be able to reach Europe under favourable conditions, and will ordinarily reach North and South America. Listeners in the United States, Mexico, the West Indies and South American countries will be able to hear the new Canadian station and it will rebroadcast British programs.
