

THE GUIDE

Dundalk, June 14, 1877.

EAST GREY.

the 24th ult., of a very singular description, the leadership and take a less ardnous that the reputed origin, like most of the their "Chief." It is quite clear that John are very wide of the mark, and altogether shoulders .- Guelph Mercury. unreliable. If it had been "from a Toronto Correspondent," we think it would have proceedings in the Lincoln Election the Act came in force. been much more appropriate. But after Scrutiny has attracted very little attention all there is quite an idea in placing the for some time past, outside the County in known limb of the Law, and another noted Force; and at first glance might be thought rather to defeat the ends of justice, it bids were on hand with "sponges" and hot toward the Ministers of the Crown in this majority of 29, when all at once it is dis- set-to" to "square accounts," and after men do lives after them." Dominion? and the threadbare assertion covered that a number of important papers, "several rounds" they retired, each with against the Premier not only shows the essential to the progress of the scrutiny, black eyes, and blood was drawn from the of Mr. McGhee's participation in the writer to be one of no principle, but must and to the report of the Registrar, by nasal protuberance of one, and from a Gravel road Jobbery of his Township few be disgusting to every truly "liberal Con- whom it is being conducted, to the judges, slight cut on the face of the other-we servative," many of whom we know are have been abstracted, and the curious part couldn't say whether it was bad blood, of twenty-five per cent of the gross amount, thoroughly sick of the hacknied phrase of of the affair is that the number of votes so but we doubt if it tended to settle the liti- as another high official is said to have done, "treason and disloyalty" which is vomit- affected, if not otherwise remedied, would gation between them. We hope, for the which netted the snug little sum of \$10,000 ed against the responsible Ministers of the make the number even on both sides. No credit of our sister village, that it will be and then, naturally enough, he spread his present Government of the Dominion by doubt the affair will be thoroughly sifted, some time before another spectacle of the branches which took root like the Banthe "high-toned, blue-blooded snobs" of and we hope the guilty parties will be their predecessors in power, and who, if traced out, and justice meted out to the they really wish to get back to power, let miscreants who dare thus to tamper with them do something that is deserving official documents. of merit, instead of trying to get back to the Treasury benches by styling their superiors-both in loyalty, patriotism and ability to conduct the affairs of state-"disloyalists and traitors."

The second part of the same correspondence is directed against us, in reference to the paragraph we published respecting the probable candidature of Mr. Joseph Rorke, Reeve of Collingwood Township. for East Grey, at the next general election for the Ontario Legislature. The writer says "there is an unintelligible contra-"diction in the remarks of the item re-"ferred to." But after vainly endeavoring to prove any such thing in said paragraph, he goes on to say "Those who read the over with a fire-proof paint which gives it a "initial and three or four subsequent num-"bers of the GUIDE need not be again told ously. "that the writer who grinds the subjects "for that paper, only speaks of Orangeism been enlarged, and one side is very nicely ed them. I suppose it would be needless a similar style of attack. "with derision." We do not think it printed now, and if the other side was as to say what transpired at that table .necessary for us to give this a flat denial, as | well printed it would be a neat little paper. A STAR, a large number of our readers well know lished a single sentence which speaks of for \$2,500. Orangeism with derision, and we challenge the writter to prove his assertion, or remain canvicted of deliberrte falsehood. reference to what we have said in regard tto Mr. Rorke, we are prepared to stand by without either jeopardizing Mr. Rorke's chance of success in regard to his candidature for East Grey, or compromising our own political standing. But who is the writer of the correspondence referred to? who does it concern so much as the present member for East Grey in the Ontario Ashis past career in Parliament, which is constatesmanlike character, or of anything that should be found in a representative of he had good reason to try and make the trast it with the city papers of to-day. electors of East Grey see treason, as he commenced his political career by turning company with Mr. Thos. Cloughley, of cannot believe him capable of intentionally tail on the Party to which he professed to Mulmur, started on Monday for a two triffling with so sacred a matter as a wision is disamed by visions of local "issues from Parry Sound. We hope to be able on trick upon the Court appointed by law to and jealousies" that would arise if Mr. Mr. Graham's return, to give our readers adjudicate upon important issues. Rorke takes the field, as the nominee of an interesting description of the Muskoka the Conservative Party! But we think District. that either Party in this Riding are quite capable of understanding and deciding for themselves what is best for their own i terests, without any out-side dictation, and we have no doubt, as we said before, Mr. Rorke is a Candidate, that his chance of success are excellent, and that his election in place of the present member, would be a source of satisfaction not only to East Grey, but to the whole Province.

THE MAILS.

Some weeks sine we drew attention to the miserable arrangements for carrying of his gun, but he managed to get a second Valley, and McIntyre Post Offices and showed considerable fight, and weighed from inquiries made by the Inspector in nearly 400 lbs. Toronto, we were led to believe that the matter would have been remedied before forms us that on Wednesday, 30th May, \$1,700 to improve the 3rd Con., O. A RETURN recently printed to an order of the House of Commons of April 2nd, shows that Mr. George Moffat, the Conservative member for Restigouche, N.B., was interested in a contract for delivery of railway iron to the amount of \$5,872.65, that he Henry Graham & Co., dealers in carpets in | was a personal applicant for a contract, and personally asked for payment therefor. The number of wolves in Russia is esti-

mated at 200,000, and their annual con-

sumption of flesh is 23 cwt. per head. Last

year they ate, among other items, 161 human beings, and it is estimated that, in one way or another, they cost the country \$10,000,000. Hunting has declined since the emancipation of the serfs, and the wolves have increased. The Middle Creek mines at Trement Pa. are on fire and burning to a considerable depth. The fire originated on Saturday by a blast which ignited the gas. An explosion

followed, and considerable damage to walls,

doors, and props ensued. It is believed that

seven gangways are burning, and the fire

is making rapid progress. A large stream

has been turned into the mine. SINGULAR FATAL ACCIDENT. - An accident of a peculiar kind, and unfortunately attended with fatal results, happened to Mr. John Senkpiel, a farmer residing on the 8th concession of Wallace, on the 22nd ult. It appears that Senkpiel had been drinking pretty freely during the day, and when about to return home from Gowanstown. was unable to mount his horse without assistance. A friend standing by gave him "a leg up." but lifted too strongly, so that Another fine lot of those heavy Over- his wife in order to marry a girl of 18. The first on the other side of the horse. When picked up he was found to be senseless. Medical aid was procured, but nothing Palmerston Telegraph.
