The New York world's Halifax despatch
says the American case staggered the
British counsel, resting as it did in great
part on Sir John Macdonald's evidence on
his return from the Washington High Joint
Commission. The Americans claim that
Canadian fishermen have benefited as much
by the throwing open of the American mar-
ket to them as the Americans have by the
opening of the Canadian fisheries.

Defiance to Potato Bugs!

A BOON TO POTATO GROWERS.
The only reliable potato bug preventive in
the world, no poison to harm, no money
thrown away on drugs.
After a careful and thorough investigation on
the nature of the bug and a practical demon-
stration of its effect as a preventive, the
subscriber now defies the world to produce a
more simple or perfect potato-bug preven-
tive than his now offers to potato growers, and
kindly places it within the reach of all. The
secret and preventive will be sent to all who
require it by sending name and address in

methods, and he now flings his banner to the
 breeze, notifying the inhabitants of Preston,
and surrounding Townships, that he has
purchased the Carding and Filling Ma-
chinery formerly owned by Mr. A. J.
Middleton, and has fitted them up in first-
class style, and is now ready for Roll Car-
ding and Cloth Dressing, and hopes by strict
attention to business and good work, to
merit a share of public patronage. Having
had an experience of over twenty-five
years he has no hesitation in saying that
all work shall be warranted according to
quality. The following gentlemen can
testify to his ability as a workman in the
past: Mr. H. Graham, Merchant, Dundalk;
Mr. J. Agnew, Councillor, New Sur-
vey; Mr. W. Hoskinson, New Survey; Mr.
J. Nixon, New Survey. Those from a
distance calling early in the morning will
get their rolls home with them the same
