#### Lawlessness.

(From the Owen Sound Times) regret to notice that the feeling d by the liquor prosecutions now in ess has culminated in a number of es so villainous that they must draw e indignation of all law-abiding etino matter what may be their sympaon the much debated liquor question. ednesday evening of last week, some s deliberately smashed one of the panes of glass in the premises of Mr. Frest. Mr. Frost seems to take the r good-humoredly, for he breaks out poetry, and in a clever punning efwhich he has since displayed in his

w above the brenk, intimates that he

who did it, and by same indicates otel keepers of the town as the guilty Being thus publicly branded as the trature, they must either take action t Mr. Frost for libel, or allow it to be ed that they are guilty. But this was al matter compared to what followed ursday night. On Friday morning tizens who passed down Union street. d the door of the office of Mr. Spenolice Magistrate, cut up with augur there being at least tener a dozen all if the lock, evidently with the intenf breaking into the office. The door. ver, did not appear as if it had been d, but it was afterwards discovered he party or parties had obtained acanother way, and carried off Mr. er's magistrates' book, together with the Police Magistrate of his books. so broke into the Police Court, and

vate property of the Clerk, even the Eible on which witnesses are . No clue has yet been found to the trators, but from the fact of both Poourt and Magistrate's Office being i, the conclusion is irresistible that lony was committed in the interest ne of those who had liquor cases pendthe evident intention being to destroy cord of the cases, and thus stop the s of justice. If this was the intenthey were feiled, for the Police Mate had taken the documents connectth the liquor trials home with him. epare his judgment. His Worship ayor, on his arrival home, with comable promptness issued notices offerreward of \$100 for the discovery of lenders. It is to be hoped they will found out, and get a good long term penitentiary to reflect on their crim-

g a number of valuable documents

anduct. sile no words can be too strong to can the diagraceful conduct of some emterest of the whiskey business, we erry to see, on the other hand, some se charged with the adminstration of w. and who should be careful not to it into disrepute, acting in a manner to say the least, is not calculated to kes unprejudiced people in their favor. rmation having been sworn to before of the magistrates of End crey that ctive Benner had committed perjury angetion with one of the liquor cases there, a warrant was insued for his t, and a constable despatched to eret. One would think that those who wawedly working in the interests of and morality would give every facility he investigation of a serious charge is-if they had confidence in the insee of the Detective they could easily him; or at all events they could be in that no harm would happen to him, s would be a serious matter for his er, if the charge proved to be ground-But instead of taking this straighted course, Inspector Pearen goes off e Pelics Magistrate, and although er is hving at his house, and oridently r in concert with him in all these awears to an information that he not believe he will appear as a witness compelled to do so, and gets a waro arrest him on that ground, on the th of which prior arrest he resists the for perjury! We know nothing of erits of the case against Benner, they e determined in due course; but this e certain of, that when those who are ed with carrying out the liquor laws, consequently are associated in the mind with the temperance moveinstead of facilitating the adminisn of justice, resort to sharp practice isreputable dodges apparently to prethe arrest of a man accused of a is crime, the spectacle is one which t fail to damage any movement they innected with, and we are sure canapproved by reasonable temperance broughout the county. Just now it appear as is the temperance cause had

### Turco-Russian War.

### THE FALL OF KARS.

A special despatch to the London Daily News from Erzesoum, reporting the cap- tribe, the Galekas, has taken to flight. ture of Kars by the Russians, says the Turks evacuated the place and retreated toward Erzeroum. The Russians pursued and captured forty of the retreating Turkish battalions. The Turks lost 5,000 men killed and 10,000 taken prisoners, besids three hundred cannon. The Russian losses are reported at 2,700 men.

A Veran-Kaleh despatch of the 19th Rector of the University of Glasgow, de- Hanover-Monday before Durham. says :- The fortress and city of Kars, with three hundred cannons, stores, and ammunition, cash, etc., fell into the Lancashire, have struck against a reduc-Russian hands. The Turks loss is 5,000 tion and the masters threaten a lock-out. killed and wounded, 10,000 prisoners and many flags. The Russian soldiers made United States Senate on Friday with but trifling booty and spared the peaceful amendment fixing the limit at 25,000 citizens, women and children. General Louis Melikoff directed the battle during Chicago was burned on Wednesday even the day. The Grand Duke Michael was ing, of last week. Loss estimated at at eleven o'clock on Sunday morning.

Another special from the same source says :- Cars was captured by 15,000 Rus sians, who climbed the steep rocks, and walls, and drove an equal number of desperately fighting Turks in headlong flight exception of three men, were saved. over their ditches and parapets, compelling them to die or surreader. The principal sttack was made on the southern forts by General Lazareff, who commanded the right wing. The attack began in the centre about 8:30 o'clock in the evening, when Count Grable led his brigade against the Kahnii Redoubt, and himself fell dead at the first onset. The Forester says :- Bernard Williams, clerk of the division court, Huntsvill, than whom a keener sportsman can scarcely be found, shot last week two unique specimens of the white deer a Buck and Doe. Their skins were on exhibition at the Toronto and Nipissing hotel here, and were greatly admired. The oldest hunter in this vicinity so far as we can learn never saw a speciman of the white deer.

Two singular incident , which will furnish nuts to crack to believers in the supernatural, have recently come to light in England in regard to the recent loss of the Avalanche in the British Channel. A lad who was a great friend of one of the aprentices who was lost made arrangements to accompany him down the Channel and but at the last moment before sailing he was seized with an indefinable and ungovernable misgiving that he declined to go, and thus escaped almost certain death. The aprentice who was lost had a retriever deg who was very fond of him, and which answered to a shrill dog-whistle that he carried. On the night of the shipwreck his mother and aunt were in the sitting room and the dog in the kitchen. Between Owen Sound, depart ... 7:45 12:30 9 and 10 o'cl ck the ladies were startled by DUNDALK, hearing a shrill whistle used by the young Orangeville, man. #### BRITISH ANODYNE.

No Pain Killer was ever offered to the public as good as this pleasant and effectual remedy for any pain or cramp of the human family. Composed of 12 of the best medicines in the Materia Medica.

AROMATIC RHUBARB CORDIAL. For the cure of Diarrhoa, Dysentery,

Cholera Morbus, Pain and Cramps in the Stomach and Bowels, and Children Teetling. This Cordial is not intended to soothe pildren into an unnatural and disturbed sleep, locking up disease and its cause in the system, as most of the Soothing syrups and Godfrey's Cordial do. It does not contain one particle of opium, or any other narcotic, which so often produce alarming symptoms, such as disordered vi.ion. loss of speech, stupor, spasms, convulsions, paralysis, starting in the sleep, twitching of the mouth, coldness of the feet, a low pulse and often death. This Cordial will remove all the above symptoms, and their causes. This Cordial gently moves the bowels draws off poisonous matter from

### British Condition Powders.

the child and eases pain the first dose. It

acts well on the Liver and Kidneys.

These Powders are composed of nine kinds of Medicines, all fulfilling their different offices, viz.; Laxatives, to act on the stomach and bowels ; Alteratives, to act on the liver and blood; Diureties, to act on the kidneys and bladder; Draphoreties, to act on the skin; and Tonies, to act on the muscles and general system. They contain Demulcents, Stimulants, and Carminatives, to prevent griping or colic. After the above explanations it may be

Powder. able to effect a cure of all the diseases to w. cl. horses and cattle are These Powders are not recommended in coughs or colds; although they are needed

eas 'en how a Medicine like these

to aid the cough powders when the horse is in poor condition. For Heaves and cought the BRITISH HEAVE POWDER

Should be used. They contain seven articles expressly adapted to the treatment of throat and lung disease. We are satisfied from long experience, that all Condition and Heave Powders act better separately, because their ingredients belong to classes of Medicines which necessarily act in opposition to each other. The Expectorants, Nauseants, Sedatives and Narcotics in Heave Powders are, in their upon the system, directly contrary to the Tonics and Stimulants in Condition Powders. For these and other reasons we think it advisable to use the Medicines alternately. If both Medicines are required at the same time, give the Heave Powders

at night, and the Condition Powders in the We defy the World to produce two better

with the best success in the treatment of the following diseases, viz.:- Ringbone, Tumors, Swelling in the throat, Wind galls, Sweney, Fistula, Sprains, Saddle and harness galls, Poll Evil, Scratches of the worst form, Corks and Flesh wounds. One application to a Cork, or any other wound, will effectually keep out the frost in winter and the flies in summer. It cuts out fungus or proud flesh in one er two applications. It will not take off the hair except it is well rubbed in and ap-

plied frequently.

Put up in nearly half-pints and sold for 25c
