

REVIEW Durham, February 14, 1878.

TO OUR FRIENDS.

paper in the Town of Durham we do so with considerable hesitation. The times, and especially the circumstances of this town and the surrounding country at present are not such as to give much encouragement: still, as the want of a paper of a more progressive and liberal character than our respected contemporary, has been al. We expect to be on time next week. feit for many years, and as we flatter our. The quality of the paper on which this selves that we can supply that want, we edition is printed is very poor, and will thus send our venture; hopeful that the scarrely stand handling. We did not dis GREY REVIEW may commend itself to the cover this until too late to remedy the evil intelligence of our people, and enjoy a but in future we intend to print on good share of their patronage. At our teaders paper. should doing our position, we may briefly

Party to the healthy government of the country, we will always maintain the Liberal side in Politics. Our contemporary in this town in a late issue has characterized us as being "clear Grit." Well, whether we may be deserving of that honorable designation or no, will much depend upon the way in which the term is understood. If by being a clear Grit is meant being the uncompromising opponent of wrong doing in the body politic, and being the earnest mentary papers. advocate of whatever tends to promote the best interests of the people, then we may safely plead guilty to the Grittish imputation. Accepting then this definition of a clear Grit, the Government of Mr. Mac-Kenzie and Mr. Mowat will receive our hearty support. We have for several years bose. ed the able and honest administration of public affairs, and it will be our of their Winter Goods at greatly reduced pleasure, as it is our duty as good citizens, prices. See advertisement elsewhere. to assist these gentlemen in holding the positions which they at present occupy.

Municipal matters will receive a large share of our attention. The prosperity of the country so much depends upon the way in which our local affairs are admini tered, and we are somewhat of the opinion that these subjects should receive the chief attention in a local newspaper.

will occupy an important place in this thirty persons joined the Church. journal, as it seems to us that in an agricultural district like this the diffusion of useful and interesting information upon these subjects would not only be of direct benefit, but would tend to develop that scientific spirit which is becoming more and more essential to the successful prosecu- lumber, and make shingles on short no tion of agriculture as of all other industrial tice and at low rates, at the Rockville which has just been re-seated, was taste- would have some difficulty in keeping the

An interesting feature of the RENIEW will be the Household and Childrens' De partment, and here we would take the opportunity of soliciting the encouragement and aid of our fair readers in making this department as perfect as it ought to be.

Great attention will be paid to selected matter, so that of the different departments of Education, Commerce, Science, Literature and News, our readers will be kept byterian Church will be held on Wednes abreast of the age in which we live.

and aim so to conduct the Review that it will be a welcome visitor in every household in the County of Grey.

TORY OR LIBERAL-WHICH?

Government by party is the essential outcome of popular political freedom. In our day and with our institutions, any find ourselves divided. One class call baptised last week in that village. themselves Reformers or Liberals, another sentiment. The respective parties howthese principles on the questions of the hour. Mest people find themselves belonging to either of these two classes. The state of mind of that man is not to be envied, who says he belongs to neither Any newspaper, especially, who, like selves, are just launching on the popular billows, might as well not make the tempt did we give any uncertain sound this subject. We shall be found advocat ing political liberty, progress and econmy at home or abroad. We will consider measures on their merits as they come and unpartiality to criticise the conduct of public men of both parties on public grounds. Conservatives we look upon as brethren and fellow citizens pursuing a similar object with ourselves, but doing so in a different fashion. The Liberal party annual Sunday School Entertainment of believe they have got a more excellent way | Christ Church, Allanpark, took place last of gaining the end desiderated and it will Friday evening, in the Orange Hall.
