JAMES GIBSON. Clerk.

ABDUCTION OF TWO BOYS.—Two boys, aged ten and twelve years respectively, were abducted on Tuesday evening while on their way home from school to the residence of their legal guardian, the Rev. A. A. Drummond, of Neweastle. The boys are named James and John Keith, sons of D. S. Keith, of Toronto. A man and woman, who are supposed to have been watching for them during the day, overtook them and induced them to enter a covered buggy on the pretence of giving them a ride home. They drove off in a northerly direction, and when they had travelled a mile and a quarter, the lads were transferred to another buggy driven by a young man who started once more northward. It is thought that the intention is to secrete them temporarily in Canada, and then carry them to Quebec or across to the United States, in order to take them beyond the jurisdiction of the Court of Chancery, of which they are wards. Our readers may recollect that some years ago there was a great deal of trouble about the guardianship of some of Mr. Keith's children, his wife (a Roman Catholic) having endeavored to be made their guardian after she and her husband had separated.

BURGLARY AT WINGHAM.—During Sunday night, or early Monday morning, the freight shed of the Great Western Railway Company at Wingham was entered by burglars, the safe blown open, and the sum of $70 abstracted therefrom. Entrance was effected by breaking in the front door of the shed. The door of the safe was blown clear off and lay at a considerable distance from its usual position. Between $65 and $70 were taken, and the Company may be congratulated on getting off so easy, as if the burglars had made a visit on Friday night they would have found nearly $400 in the safe. Luckily it was forwarded to headquarters on Saturday. No clue to the thieves has yet been obtained.

In addition to the freight office at Wingham, the railway stations at Brucefield and Bluevale, Great Western Railway, were entered on Sunday night and the safes forced open. How much was taken has not been discovered.

The new grist mills at Moorefield were burned down last Sabbath morning, supposed to have been set on fire.

The North Yorkshire and South Derbyshire miners' wages are to be reduced seven and a half per cent. As this effects between twenty-five and thirty thousand men who are determined to resist the reduction, trouble is likely to ensue. The manufacturers id the north of England iron trade are also demanding a reduction of wages of from ten to seventeen per cent., and in this instance also resistance is expected from the employees.

Navigation on the Lakes appears to be fairly opened.

The Magnetawan country is being rapidly settled, principally by Germans from Waterloo.

ST. NICHOLAS AND THE GREY REVIEW FOR $2.75.

ST. NICHOLAS, published by Scribner & Co., New York, at $3. per year, is one of the most attractive and popular monthly magazines for young people we know of, and makes a particularly handsome and desirable present. The number now before us contains nearly 100 pages, and is filled with striking and beautiful pictures. In order to promote its circulation in Ontario we have made special arrangements with the publishers by which we can supply ST. NICHOLAS and the "Grey Review" together for $2.75 a year, payable strictly in advance. Specimen copy can be seen at this office, and is well worthy of inspection.

SCRIBNER'S MONTHLY AND THE REVIEW.

SCRIBNER'S MONTHLY deservedly ranks among the very best illustrated magazines published. Its short and continued stories are the very best written. During the past year several papers have appeared in SCRIBNER devoted wholly or in part to Canadian subjects, and during the year 1878 there will appear beautifully illustrated articles on Caribou-hunting, Moose-hunting, Seal-fishing, The Thousand Islands, etc., besides a Charming Paper by John Burroughs, entitled "Following the Halcyon to Canada." In order to encourage its sale in the province of Ontario we have made special arrangements with the publishers to supply SCRIBNER'S MONTHLY and "The Grey Review" together for $3.25 a year, being 75 cts. less than the subscription price to SCRIBNER alone. Specimen copies of this popular magazine can be seen at the office of this paper. No name can be entered until payment is received.
