Railway Enterprises.

cople to the north of Guelph are bestiring themselves in connec ith several railway enterprises in to these to-day in another columns n an article copied from the Mount Confederate. In the Examiner, sold start from Palmerston, run to Forest, thence to Durham, and to int on the Georgian Bay. With road the people in Grey, who are the mercy of the Toronto, Grey and tailway, would have access to the commercial points south over a hich would answer all the requireof travel end traffic. They would e advantage of competing rates at f the leading points, and they would e option of using the broad or nar-

age road as they pleased. McMullen, the Reeve of Mount in the course of his speech stated length of the proposed line from ton to Durham was about thirty. placed at \$14,000per mile, requiring of \$448,000. To meet this it was spected that municipal aid should as follows; Palmerston, \$15,000 : sectional) \$5,000; Arthur Townctional) \$10,000; Mount Forest Normanby (sectional) \$20,000 : nt, \$60,000; Durham, \$25,000; k, 35,000; Glenelg, 25,000 total 0. Added to this \$25,000 paid up 30,00 Government aid, and, \$192. rst preference bonds would prorand total of \$452,000, leaving a argin for incidental expenses. It posed to construct the line from ton through Mount Forest to Hol-Durham. He also stated that the estern Company had given them ance that they would run the road

ort Dover and Lake Huron prod be of very little benefit to the Grey. It touches no important ial point, and is in a sense at the the Grand Trunk and Great On the other hand the Georgian Wellin ton line would put them become an important feeder to it. armers and merchants would at mye access to Hamilton, Toronto. r important markets. The rate-Meant Forest fully appreciate they have shown how desirous of scenning the road by recomthat the Municipality vetes bonus it. We have little doubt this will and that the other Municipalities s of the project have also he'd m Palmerston and Holstein, and hole it less been very favorably wherever it has been thoroughly -Guelph Mereury.

Mackenzie, Laurier, that there had not been sufficient time yet and Anglin spoke to a large and intelligent descriptions, except cod, which show a gain to test the value of the amendment passed audience in the Opera House at the Conto it, and concluded by moving that the cert given in the evening by St. Patrick's Bill be read this day six months.

Mr. Macdonald, of Toronto, said that nevolent purposes. nothing had been adduced to show that there was any necessity for the repeal of few days ago by the Conservative leaders pickled salmon. Cod, herring, and salmon the existing law, and that it was equitable and some of their supporters. Two or are sent also to Africa. Of the importations to the deltor and leneficial to the trade of three Tory Highlanders from Glengary into Canada over 50 per cent. are from this able HALF-YEARLY, NOT IN ADVANCE. 84 per

28th March. Mr. McCarthy introduced a Bill amend the controverted Elections Act. the object of which was that election cases would be tried before three judges instead of one as at present, whose decision would landers in Canada. Of course the object be final on questions of fact, and that the would be allowed on questions of law.

present law was susceptible of improvement, he failed to see the propriety of introducing a measure of this sort at the present time, and putting the country to the expense of printing this very volumi nous measure, when there was no possibility of its passing. The Bill was read a first time.

Hon. Mr. Mackenzie moved the thir reading of the Bill to amend the Public Works Act.

Hon. Mr. Mitchell moved an amendment as to persons recovering damages on account of accidents arising from the carelessness of officials.

Mr. Mackenzie said that the Govern ment did not resist claims of this sort, but while doing justice to private interests they were bound to regard the public interests well. The Bill was read a third time. Hon. Mr. Huntingdon moved to amend the Post Office Act of 1875, to the effect that Post masters would be able to pro hibit the transmission by mail of immora

and fraudulent publications. Hon. Mr. Mills moved the second reading of the Bill anent the Colonization Dominion Lands, which has already been noticed in these columns.

After some discussion the Bill were read a second time.

The House went into Committee on th appointment of an auditor-General of Canada, salary not to exceed \$3,000, per an .-

Hon. Mr. Laffamme moved the second reading of the Bill respecting the Maritime Court of Ontario.-Carried. The

House adjourned.

29th March. A number of petitions signed by upwards of 14,000 ladies of the Maritime Provinces were presented, praying that the amendment to the Temperance Act of 1864 become law and be extended to the whole Dominion.

Mr. Mackenzie moved that Governmen busines should take precedence on Mondays for the remainder of the Session After some discussion the motion was agreed to.

The Bill to amend the Post Office Act of 1875, which we have already explained i our columns, were read a third time and

Hon. Mr. Mills moved the second reading of the Bill to provide for the creation and registration of Homestead Exemption Estates in the North-West Territories, referring to the beneficial effects of such legislation in the United States Territories, and that the Bill did not exempt property from debts incurred prior to settleread a second time. Mr. Laflamme moved the second with questions of Canadian policy shews Government, and a scathing criticism of the acts and sayings of the Opposition and Senator Macpherson and others of the Opposition in manipulating figures to suit petty electioneering purposes without considering the injury to Canadian honor and Canadian credit that would result from their utterances being published and scattered broadcast over the United States and

Canadian Fish.

The value of fish exported from Canada during the year 1877 was \$5,874,360 ing the year 1876, \$5,501,221, and in 1875, \$5,380,527. This shows a fair and steady increase for the past three years. Large quantities were sent to different parts of the world, but the greatest portion goes to the West Indies. To the latter place the exports of fish were \$2,757,435; to the United States, \$1,225,275; to Great Bri- or to CRONYN, KERR & BETTS, tain, \$972,157; to South America, \$338,734; to Italy, \$213,580; and to British Guinea. \$167,955. To all of these places except the last, the exports for 1877 showed an increase over the previous year. More than reaching \$3,390,000, after which mackerel, mackerel shows a decrease of \$86,000. There has also been a decrease in most other of \$350,000. Salmon was experted to the value of \$271,000. Portugal took nothing but dry cod; Sweden, mainly pickled herring; Hayti, British Guinea, and Madera Loan and Investment Co., There was quite a farce played here a various kinds; and Australia nothing but

Incpherson for defending the memory of fish were issued, being nearly three times and one-half millions. The fisheries of the of the United States yielded in 1876 a grand total of 1,294,038,000 lbs., valued at \$75,-
