THE GREY REVIEW.—This is the title of a new paper published in the town of Durham, by Mr J. Townsend. It is neatly printed, Reform in poli ties, but its articles are rich and racy. We wish it success financially.—"Grand River Sachem."

THE GREY RETTEW is the title of a new weekly journal recently started in Durham, in the county of Grey. The REVIEW is Reform in politics, and during the coming months the cause will enjoy the benefit of its advocacy in a part of the county hitherto unsupplied with the luxury of a Reform journal.—"Daily Globe."

The third number of the GREY REVIEW, published in Durham, county of Grey, by Mr. J. Townsend, has reached us. It is the Dundalk Guide in a new and much improved form. Mr. Townsond knows how to get up a neat and readable paper, as the REVIEW abundantly testifies. Its politics are staunch Reform.—"Dumfries Reformer." We have the first number of the GRAY REVIEW
