Five Years' Sickness Guest by Four Bottles of Constitutional Catarrh Bemeiy. Fain in Shoulders, Back and Lange, and Droptings in Throat Disappear.

Ma. T. J. B. HARDING.

Dean Sir.—Being desirous that others may know some thing of the merits of your Constitutional Catarria Rasspor, I wish to inform you what it has done for me. I am a years old; had been out of health for about five years. Lad employed three or four different doctors, and tries various medicines, without receiving any permanent benefit but continued rather to grow worse, until last fall, when had become so bad as to be unable to do an hour a work at a time. Had severe soreness and pain under the shoulder bindes and through the aboulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continued dropping in the threat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which eased my pains and gave me an improved appetite and after taking four bottles I was restored to health, so as to be sole to endure hard and continued labor, such as chopping and clearing hand, at which I have been agranged the last season. My recovery I attribute solely, with God diseasing, to the roe of your Catarrh Remedy. Yours traly, Price 81 per bottle.
