Walkerton Methodist District

Meeting. This meeting took place at Port Els on the 28th and 29th of May. All ministers of the District were present The Chairman of the District, Mr. Tindall occupied the chair; and the Rev. R. Godfrey, of Durham, was elected District retary, and the Rev. N. Burwash on the Sabbath School Committee. Three young men, Messrs. Conron, Beynon and Bailey, were recommended to the Conference to be received on probation as suitable candidates for the itinerant work. On the second day's meeting all the lay delegates elected by the quarterly meetings, were present. The Rev. Josias Green was elected to represent the District on the tioning committee. Mr. D. Burwash. Tiverton, was elected as lay member of the Missionary Board; and Messrs. Timmins, of Walkerton, and Alfred Schel of Arkwright, were elected as lay delegates to the General Conference, to be held in the city of Montreal in September next A resolution was carried unanimously requesting the Annual Conference to reccomend the General Conference to detach the Walkerton District from the Toronto Conference and attach it to the London Conference. The principal reason given for this change was that the Walkerton District is more directly contiguous to the territory embraced within the London Conference. Several other recommendations were made to be forwarded to the General Conference. It was also reccom mended that the town of Walkerton come a station with one minister, and that Mildmay and Otter Creek become a circuit, to be called the Mildmay Circuit, and that the South Line appointment be transferred to the Hanover Circuit. It was thought desirable to hold a District Camp-Meeting on the Hanover Circuit, when a Committee were appointed to carry out arrangements. Notwithstanding the stringency of the times, the District finances were found to be in a satisfactory state. This small district raised last for all pur-We notice with pleasure a presentation poses, \$13,550. There were 328 persons made to Rev. C. Shaw and wife, last week, received into the M.
