THE PENTECOSTAL BAPTISM. a My remarks must be brief. An hour iled ago had occurred the visible baptism of ac- fice, performed by the limited descent of ns." the element, as the type; how then would irk the apostles perform the baptism of water by to render it the antitype? Peter had red just said that the spiritual baptism was non "shed forth," would be pronounce a water to baptism "shed forth," no baptism 7 Apof other clear case of affusion.

HOLY SPIRIT AND WATER BAPTISM. The representatives of the baptism of the Holy Ghost clearly prove that water and baptism was administered by pouring, his sprinkling, or applying the element to the we person. We take the following quotations from "Carrie's Catechism of Baptism." the trusting our friends will cut it out, keep it on hand, in order to refute those who are ever asking where is your proof of sprinkre ling or pouring:-

"50. What Scripture proofs eas you give to show both the sanctifying descent of the Spirit and its representation by the symbol of water affusion? "levinh 44: 3. 'I will pour water upon

him that is thirsty; I will pour water upon thy seed, and my blessing apon thine offspring. Beautiful embiem! 'I will pour water-I will pour my spirit. "Ezekiel 36: 25-27: 'Then will I sprin.

kle clean water upon you, and ye shall be clean; from all y see filthiness, and from all your idols will I cleanse you; and I will put my Spirit within you.' Here also the Spirit's influences are associated with the sprinkling of water.

"Psalm 72:6: "H: (Messith) shall com down like rain upon the mown graso.' Hosen 10:12: 'Seek the Lord till he come and rain righteousness upon you.' Hosea 14:5: 'I will be as the dow unto Israel.' Here the refreshing in Juences of the real saptism are represented by a metaphor taken from the f thing of dess and of

"51. Is the symbolism between fin Spirit and the water faright, under the new dispensation, as a ider the old?

"Yes. Only it is more definitely deve'oped in the new, under the name and form of the double baptism. Matthew 3; 11 : 'I indeed baptize you with wa er; but he shall baptize you with the Hofy Ghost." Luke 3:16; 'I indead Laptize you with water; but one mightier than I someth; he shall baptize you with the Holy Ghest and with fire.' John 1:33; 'He that sent me to baptize with water, the same said unto me : Upon whom thou shalt see the Spirit descending and remaining on him, the same is he which baptizeth with the Holy Ghost.

"52. By what passages of Scripture does it appear that in the baptism of the Spirit there is no immersion, but that the element deseends upon the subject? "Proverbs 1:23: 'I will jour out my Spirit unto you.'

"Matthew 3: 16: 'He saw the Spirit of God descending like a dove, and lighting apon Lim.' Here was baptism, but not minersion. He was not plur ged i to the

"Act: 2:3: 'There appeared unto them dovon tongues like as of fire, and it sat apon each of them.' There was no immersion here. A sound filled the house, . and the baptism of fire sat upon them.

"Acts 2:16, 17, 38; "But this is that which was spoken by the prophet Joel: I will pour out of my Spirit. This outpour. ing is called baptism. 'Then Peter said: Repent, and be baptized every one of you : and ye shall receive the gift of the Holy Ghost. This could not have been immersion. One could not be said to receive an element in which he was immersed. Moreover, it is said, 'the gift of the Holy Ghost was poured out.

"Acts 10:44-47: 'The Holy Ghest fell on all them which heard the word. . . . On the Gentiles also was poured out the gift of the Holy Ghost. . . . Then answered Peter, Can any man forbid water, that these should not be baptized which have received the Holy Ghost?" As they had received the real baptism, so should they

"Acts II: 15, 16: 'And as I began to speak the Holy Ghost fell on them, as on as at the beginning. Then remembered I the word (not of John, but) of the Lord, with water; but ye shall be baptized with the Holy Ghost. Thus Peter pronounces the outpouring and the falling of the Holy
