The Hanlan-Ross Race.

After a weak of wearying and disheartening delays the race upon the Kennebe-

casis finally came off on Wednesday after-

noon-not however without an accident

marring the sport and maintaining the unfortunate reputation to which the St. John rowing course appears to have been doom-

ed. Once more the Toronto carsman has come out the winner and added to his

laurels. Although the termination of the contest was not such as to afford him a ta-

vourable opportunity of displaying to thorough advantage the perfection of his style

and the completeness of his training, the

indications in the brief contest which pre-

ceded the unlucky mishap which placed

his opponent out of the race all pointed in

the direction of another complete victory

for the Toronto champion. Shortly after

passing the mile Ross by some mischance

fell out of his boat, leaving Hanlan to row

over the course, after making sure that his

The wealth of old tapestries existing in

A writer in Nature discusses the compare opponent was in no danger. The accident tive nutritive qualities of white bread, is all the more unfortunate as the New brown bread, and whole-meal bread. Brunswicker was in infinitely better trim than on the occasion of his visit to Toronto, and had so vastly improved his style would have given a much better account of himself than he did last fall. From the start, however, though perhaps Ross had a slade the better for a moment, there seem. reserved for my fate," she added mourn- flour, on the other hand, yields a bread od to those on the judges' boat no doubt as which is light enough before mastication, to the result of the race.
