East Grey Agricultural Show.

The East Grey Agricultural Society un. ortunately held their show at Flesherton on he same days as South Grey. We paid a isit to the hall on the first day, and were cleased to see the very creditable display nade. Mr Bulmer showed a fine collection of Photographs. A number of tery fine rawings and sketches were also exhibited adies work was well represental. There were a number of hair, Berlin wool, (and ne cotton bathing) wreaths. Mrs. Millner. f Proton showed a number of fine articles. ook 3 prizes at the Provincial Exhibition. here were seventeen wreaths of artificial lowers, and some fine embroidery and raid work, a number of quilts and assortnent of home-made mits, socks, flanuel. arn, etc. The display of butter and cheese vas very good. The display of vegetables.

Dwen Sound Correspondence

Owen Sound has been rather dull for some me past, but this week it is the very opposthe streets being crowded with a mixture jurymen, witnesses, and lawyers, who are tending to the Assize Court.

The Rev. Dr. Grant, Principal of Queen's diege, Kingston, was here at the beginning the week raising funds for that College. preached on Sunday morning to a large Cience in Division St. Presbyterian Church. in the evening to a still larger in Knox

here have been teachers added to the High hool teaching staff, Dr. Hunter has left, d Mr. Robertson, a graduate of Cambridge l Oxford, has taken his place.

The Tribune, the new weekly newspaper seh did not some out last week, as advered, will be out this week if nothing bappens. The Assize Court opened here on Monday , 30th Sept., Chief-justice Hagerty being the Bench There are about twenty cases the list. There were four disposed off up fuesday afternoon, when the judge adrned the court until Wednesday morning order to give the lawyers time to get their s ready.

Earl Dufferin at Toronto. According to arrangement the Earl of fferin has paid his last visit to Toronto. on Tuesday, the 24th vit., opened the wincial Exhibition at that city. His cellency left the Queen's Hotel, at half a two in a carriage drawn by four greys. was accompanied by the Lieutenant vernor, the Mayor, and several distinshed persons including the members of City Council, the officers of the Corpoon as well as gentlemen from a distance. arriving on the Exhibition grounds his cellency was received by Mr. Stock. sident of the Agricultural Association. whom he was conducted to the central kling and introduced to a number of tors, among many may be mentoned m. Messra, Mowat, Crooks, Christie, own, Pardee, Macdongall, Howland, ung, Mckeliar, &c., &c. The President n read an address of welcome to Earl gerin, expressing the pleasure with uch his visit to the Exhibition was rerded and the regret felt by the Assoriaat his early departure from the Do-

lis Excellency replied in a very able and sewhat lengthy speech. After culogisthe Dominion, congratulating his audion the noble country of which they e possessed, and referring to the untold urces of the country which were lying ly for the active hand of man, he said. he was at a loss in finding a suitable sect for this his valedictory address, but parting counsel to the citizens of the minion would be "Love your country. eve in her, honour her, work for her, for her, die for her," and concluded a a interesting address, which was freatly and loudly applanded, thus :-

of course I am well aware that many he most earnest-minded men among ave insisted of late years with landable usiasm-and in doing so, though perunconsciously to themselves, they onis given utterance to the feeling of w man and woman in the nation-uphe duty of a supreme devotion to the tests of their own Canada. But you well aware that as an Imperial officer we never shown the slightest jealousle reathed a word in discouragement of honorable sentiments, for I am cond that so far from being antagonistic operial interests it is amongst those are prepared to make the greatest ices for their native land that we shall s find the most loyal subjects of the . (Great applause.) The only thing erhaps I would be disposed to deprecould be the over-passionate sivomey speculative programme that may be of the orbit of practical statesmans every human society is in a state tinuous development, so occasional tment of its mechanism becomes. ry, but I think you may take it for that though they may not talk about it the experienced men who
