# Holiness of Life.

No. 2. 3. Piety is, not from without, but from Oatmeal per barrel........ 4 00 to 4 50 within. Piety is not an external polish, but an internal power of a new life, vitalizing the soul to feel, to think, and to act as God feels, thinks, and acts. Truth in the heart is the mainspring of all our holy ac- Peas ..... tivities; truth in the heart is the cause of our pious emotions, desires and aspirations

I fency I hear a whisper
As of leaves in a gentle air:
Is it wrong, I wonder, to fancy
It may be the tree up there
The tree that heals the nations,
Grow amidst the leaves the series of Grow amidst the street. And dropping, for who will gather, Its apples at their feet? I fancy I hear a rushing As of waters down a slope: Is it wrong, I wonder, to fancy It may be the river of hope— The river of crystal waters That flows from the very throne And runs through the street of the :ity With a softly jubilant tone? I fancy a twilight round me.

And a wandering of the breeze, With a hush in that high city. And a going in the trees. But I know there will be no night ther No coming and going day: For the holy face of the Father Will be perfect light alway. I could do without the darkness, and better without the sun But oh, I should like a twilight, After the day was done! Would he lay his hand on his foreneed. On his hair as white as wool, And shine one hour through his fingers. Till the shadow had made me cool? But the thought is very foolish: If that face I did but see. All else would be all forgotten-River and twilight and tree:

should seek, I should care for nothing. And fear only to lose one glimmer By one ringle sideway glance. "Tis again but a foolish fancy To picture the countenance so Which is shining in all our spirf's, Making them white as snow. Come to me, shine in me, master and I care not for river or tree Care for no sorrow or crying. would lie in my bod for ages. Looking out on the dusty street. Nor anything cool and sweet-At my heart this ghastly fainting. And this burning in my blood.

JAMES VICK, Rochester, N. Y.

Darham, Jan. 12th, 1878.

1879 The Weekly Globe. 1879 W ITH the close of its present volume.

THE TORONTO GLOBE completes the thirtyfifth year of its publication; and its conductors feel
that they can look back with satisfaction and just
price on the part it has taken, and the beneficial in fluence it has exercised, in all the prominent poli-tical movements and contests for good govern-ment, since the day of its establishment. The un-equalled and unswerving support it has through-out received among all classes of the Canadia; Doors, Sash and Blinds made to order. public, is at once the best reward, and the higher possible testimony to the efficiency and fide-ity to public interests with which it has been con-ducted. As in the past, so in the future, shall the earnest efforts of its conductors be put forth in fa-

your of whatever tends to secure just and econmical government, the material prosperity of the masses, and the promotion throughout the land of religion, good morals, education, temperance, and Heartily convinced that Canada could hold n position higher or better, or more conducive to material progress, than that she now enjoys at the foremost self-governed Province of the British Empire, the conductors of THE GLOBE will continue zealously te sustain whatever tends to the perpe tinue to advocate energetically the abolition of Custom-duties on raw materials, and the maintenance of a revenue tariii pressing lightly or not at all en the necessaries of life, but heavily on arti-Butcher's Shop, in the store lately occupied by Mr. cles of luxury. It will continue to oppose the Prossor, Next the Durham Foundry, where

imposition of Custom-duties framed specially to punish Foreign Countries for actual or imaginary hostility in their commercial policy; or specially te exclude British and foreign manufacturers from Durham, Dec. 12, 1878. the country, or specially to keep certain branches of industry in existence that cannot be sustained without forced contributions from the earnings of the rest of the community. THE GLOBE will continue to give special attention to the deeply important subjects of European Immigration, Railway and Canal Improvement, the Development of the vast Mineral Timber and Fish-Development of the Population and the speedy Set-Development of the Population and the the Popul ery resources of the Dominion, and the speedy Set-tlement of our Wild Lands.

Agriculture, as the chief industrial interest of he Dominion, receives that constant and anxious attention to which its vast importance entitles it; and all measures for the advangement of its prosperity or injuriously affecting its progress will be watched with care and fully discussed. To the manufacturing and mechanical interests much space will continue to be devoted, and nothing of

aportance affecting them will be allowed to pass News from all parts of the world, up to the atest moment of publication-Parliamentary Debates, Federal and Provincial—Markets and Financial Reports at home and abroad—and Letters Dundalk, Jan. 2, 1879. of Special Correspondents from all points of inter est—will be gathered with all the care and energy that has kept The Globe for so long a series of years in the front rank of Canadian journals.

Special Cable Despatches from the London Office of The Globe will continue to be received when A beautiful work of 100 Pages, One Colored Flower Residence at the Old Post Office, Lower Town, THE GLOBE Special Railway Train will continue to leave Toronto for Hamilton, and Western connections at that point, at half-past four each

Dest howers and vegetables, and hew to grow them.

All for a Five Cent Stamp. In English or German.

The Flower and Vegetable Garden, 175

The Illustrated Biographies of prominent Pub lie Men that have given such general public satislic Men that have given such general public satisfaction will be continued during the coming year by able and experienced writers. The sketches of Natural Scenery, views of the principal Canadian cities and towns, and views of the most not dian cities and towns, and views of the most notable public buildings of the Dominion, with copious letter-press descriptions attached to each, and sketches of the early history of each place, will also be continued by first-class artists.

Ecclesiastical Intelligence, Science Notes, and Educational Affairs will continue prominent features in each number. for 85.00. Specimen Numbers sent for 10 cents.

Vick's Seeds are the best in the world. Send minent features in each number.

The Answers to Correspondents, of every variety of subjects, which have proved so valuable and interesting to crowds of readers, will be kept up with increased vigour.

The annual subscription to THE WEEKLY GLOBE will remain as heretofore, only TWO DOLLARS PER ANNUM, sent "postage free" to all parts of Canada and the United States, payable invariably in advance. The CLUB RATES FOR 1879. WILL BE AS FOLLOWS:-

Any one is at liberty to get up a club on his own responsibility. Each club paper may be addressed separately, and may be for any Post Office. Parties getting up clubs will be supplied with specimen copies of the paper gratis.

Remittances may be sent by Post-office order, bank draft, registered letters, or by express, at our risk. Orders and remittances to be addressed to the GLOBE PRINTING COMPANY, TORONTO.

WANTED 1.000 Cords of Dry Wood,

10,000 bushels of Wheat and other Grain at D. DAVIDSON'S.

Dundalk, for which the highest market price will be

January 2, 1879.

That Bar of Iron.

THE Subscriber begs to inform the percarrying on the Trade of Blackswithing, and is pre-pared to put A BAR OF IRON into any shape that Fancy or Necessity may demand

From early morn till dewy evo.

John Norval's door 's ajar,

And if you want a Noedle made,
He'll form it from a Bar. For favors past, to Patrons he Holds thankfulness at Par:

And hopes they over will believe He'll suit them from a Bar. When Seas were rough and days were day John Norval, like a Tar, tood many a blast and held his post And made things from a Bar.

And when the times were out of joint.

And cash as scarce as spar.

Be never failed to strike a Nati.

And form things from a Bar. But times anon began to m His Iron came in a Car;

Yet still without advance in price John Norval struck the Bar And when Dundalk began to strive So like the Morning Star, His Hammers with redoubled force. Came down upon the Bar.

And now within that lively Town. He has Declared a War; And set the hammer, vice and file, To fight against the Bur. To suit all Grades and Ranks of mon.

No matter who they are, That want a job made strong with Irea. He'll bind it with a Bar. A Bar of Iron in Norval's handa Will shine to please the Czer So if you want an anchor made, He'll form it from a Bar. JOHN NORVAL Blacksmith, DUNDALE
