That Bar of Iron.

THE Subscriber begs to inform the poor ple of Dundalk, and vicinity, that he is still carrying on the Trade of Blacksmithing, and is prepared to put A BAR OF ERON into any shape that Fancy or Necessity may demand

John Norval's door 's ajar, And if you want a Noedle made He'll form it from a Bar. For favors past, to Patrons he Holds thankfulness at Par; And hopes they over will believe He'll suit them from a Bar

When Seas were rough and days were dar John Norval, like a Tar, tood many a blast and held his post And made things from a Bar.

And when the times were out of joint And cash as scarce as spar, He never failed to strike a Nail, And form things from a Bar.

But times anon began to mend His Iron come in a Car; Yet still without advance in price John Norval struck the Bar. And when **Dendalk** began to strive So like the Morning Star. His Hammers with redoubled force, Came down upon the Bar.

And now within that lively Town.
He has Declared a War;
And sot the hammer, vice and file,
To fight against the Bar. No matter who they are.

That want a job reade strong with Iron,
He'll bind it with a Bar. A Bar of Iron in Norval's hands, Will shine to please the Caar So if you wast an anchor made, He'll form it from a Bar.

JOHN NORVAL.
