DEAR Sin .- It is now two years since your "Conas at first the harmy effects seemed to me to be "too I was afflicted in my head for years before I sus-pected it to be Catarrh. In reading in your Circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often preventing me from lying long, I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your Agent came to Walkerton in August, 1876, I secured three bottles. Before I had used a quester

made, and give entire satisfaction to those maps secured three bottles. Before I had used a quarter of the contents of one bottle I found decided relief, and when I had used two bottles and a third, I quit taking it, feeling quite curved of that ailment, and have not used any since until of late I have taken ome for a cold in my head A sense of duty to sufferers from that lasthsome disease, Catarrh, prompts me to send you this Certificate, unsolicited, with leave to make what use of it you may see proper.
