### A Man Carried over the Falls of Niagara.

Post do, N. Y. May 25 - A terrible tragedy was enacted at Niagara Falls this aftertoon, in the presence of about five hundred people, when "Pi" Walker, a noted smuggler and river pirate, went over the Falls before their herrified gaze. The Eric Railroad had got up a special Sunday excursion from Buffalo, which was patronized by a large number of people, and Goat Island, Prospect Park, and the shore near the Cataract House was cover ed with sight seers. Saddenly some one on the shore opposite the upper end of Goat Island raised the awful cry of warning. "A man in the rapids !" and as the people flocked ent year is \$413,683, and the population from Cetewayo, since their defeat, through boat, with a single occupant, slowly being

sucked into the white water, The man was rowing for all he was worth, but he reemed to be dazed either with fear or intoxication as he was unable to make much headway. Suddenly the oarsman "caught a a pond at Union, Elg'n county, on Wed. great slaughter of the Zulus who wished to crab," his car flew out of the rowlocks, his nesday. head went down and he lay at length in the bottom of the boat. The boat then turned its prow down stream and began to descend the rapids of the American Falls, its pace growing more and more swift until it finally struck & rock about two inches from the surface and stopped, and began slowly to twist and turn large majority. in the eddying current.

out and cling to the rock, and the wildest ex. taxable incomes, \$11,575, citement was manifested upon the shore But made no apparent efforts to do so. A dozen schemes of rescue flashed through the minds of the spectators, and two old guides had A lad named Melan, aged about seven, he has declared he will never surrender. the current and now began its mad plunge to

The surging water caught the light skiff in the clutches as though it were a feather and bore it downwards like a salmon, bow forward, on a mad and dizzy pace. But only for a few rods; then a second rock obstructed the way, and with a crash the light boat struck | Collingwood on Tuesday night. It is exagainst it and parted in twain, the port side pected the road will be finished in about five going all to pieces, while the starboard was weeks. not so badly damaged. The body of the man was flung headlong into the eddying Belleville on Friday. Joseph Gordon, a maelstrom, sucked under for a moment, and laborer on the Grand Junction, was pros- The quantity of ashes thrown out is somewhat then tossed to the surface just above the trated by the sun whilst at work, and died bridge which leads to Goat Island. He threw his arms widly into the air, and those who were on the bridge saw for an instant a white and haggard face set in the agony of despair ; aged 66, of Elma Township, was killed at then he was again drawn below the surface, the raising of a barn, by falling from one never to reappear on this side of eternity. of the upper plates, which had not been Those who saw this sickening spectacle will properly braced. never forget its especially horrible features.
