For the Grey Review. Gates Ajar! Attio eyes just wide awake Gates ajur-without a doubt; What a world of light looks in t What a world of love looks out! Gates ajar—through sithen leabes
Life's young sunbeams dance and play
Gleams and flashes from a fountain Bright and clear though far away. Gates ajar -- bright little windows

POETRY

Where joy shows her laughing face. Free from care and without wrinkle. Paultiess in her artiess grace. Gates ajar—sly furtive glances, Coquetting with love's own spec-

Tinting all with hues of gladness Which their mirthful eyes can reach. Gates ajar ah through those eyelide Shines a world of mystery.

lashing light upon our darkne

If the truth our eyes could see. Thro' those gates sweet music passes. Fow can hear and fewer bear; Solemn teachings-Christ's own lessons-Light beyond the smile and tear.

The Gun. Rt L'18 THAT EVERY SPORTSMAN SHOULD

OBSERVE. To the Editor of the Mail.

SIR, -A careful observance of the following rules in handling guns is enjoined upor all sportsmen. They are taken from Hallock's Sportsman's Gasettees, and if pub

serious accidents :-1st. Never in excitement or fun point the gun towards any human being.

2nd. Never carry it so that if accidentally discharged it would endanger the life and after killing three of them, was cap of a dog even.

3rd. Always think when walking which way your gun is pointed, and if a companion is ir. the field with you,no matter how near or how temptingly the game appears, do not shoot until you know just where he is, and that a stray shot may not possibly strike stroy an eye forever.

taking the cartridges from the gun.

gun through the fence on the ground, so the evidence against him was false. Red Listowel-First Friday in each month. that if you fall, or the fence breaks, it can. tape has taken a long time to right the not be discharged.

"plungers," or pieces which strike the cap. tors from the country in a novel way. mers are down.

you see you are about to fall, drop the gun valueless horse is offered to him at \$150. so that the muzzle will be from you. Oc- A bystander offers \$200, but the dealer casionally a cartridge will stick after it has angrily says he will not sell to this man a been fired. A stout thin blade or knife will any price, having had a previous quarrel generally extract it, if not, remove the other with him. The bystander draws the cartridge, and then cut a straight stick and countryman aside and says : "Buy the poke it out from the muzzle, but even then horse for \$150 and I'll take him off your DURHAM DIRECTORY don't place your body in front of it, but hands for \$200." This seems to offer a content yourself with using the hand.

10th. After firing one barrel, take the victim, after paying \$150 for the beast, does cartridge from the other and examine the not see any more of the promised purchaser wad over the shot, to see that it is not with the \$200. loosened by the concussion, as it very frequently is, which would produce a heavy recoil, and if it gets up the barrel will purst the gun, and likely take off a hand be-

11th. Never take hold of the muzzle to draw it towards you, nor set it up, when, if falling, its muzzle would be towards you.

Finally, follow all these suggestions, and be self-possessed, and the fields will afford you sport without danger, and I hope without temptation.

Yours, &c., Welland, July 28th. SPORTSMAN.

HOW TO GUARD TREES AND PLANTS FROM mys that if chloride of lime be spread on the soil or near plants, insects or vermin its means plants will be easily protected over their stems with a solution of it. It been sprinkled over with lime water.

Great, when at St. Helena, spoke as fol. travellers and published by the Golos are lows to Dr. O'Meara: "In the course of a too horrible for reproduction; but the few years Russia will have Constantinople above details will convey some idea of the and the greatest part of Turkey and Greece. a wind suffering by which the population of This I hold to be as certain as if it had the Flowery Land has lately been and still already taken place. In the natural course is afflited. of things in a few years Turkey must fall to Russia. The greatest part of her population are Greeks, you may say are Russians. The powers it would injure, and who could oppose it, are England, France, Prussis and Austria. Now, as to Austria, it will be very easy for Russia to engage her assistance by giving her Servia and other provinces bordering on the Austrian Dominion, reaching near to Constantinople. The only hypothesis that France and England will ever be allied with sincerity, will alliance will not avail. France, England tress of Constantinople, Russia gets all the marry, I'm going to be a widow." commerce of the Mediterraneau, becomes a great naval power, and God gnews what very forcibly.
