ALTEA.

To the Editor of the Grey Review.

To the Editor of the Review,

On the evening of Wednesday week, Mr. SIR. For the first time I crave access Meldrum, Station Agent, delivered a lecto your columns embol iened to do so by the deep interest your enlightened sheet trothe subject of Baptism-its mode takes in all that pertains to this municipal and sulee s in St. Andrew's Church. Rev. my, and as a consequence its arrival is Mr. McLeod occupied the chair. The harren by all and perused with avidity. church was crowded with a very attentive I have not been familiar with every item

Priceville.

furnished by your correspondent "Zero" sudience. The following is a short synopobut from those I have been cognizant of, I sis of the lecture. am assured he has been actuated by a de- Mr. Meldrum referred to the fact of erhis facts. If his pen has occasionally decould a faithful scribe have done else? red ts Paul's Epistle to the Corinthians, muc of the regret is that these a Tctions where the Apostle finds great fault with have been so general as seen by i nilar that Church for having abused the ordinance of the Supper, in view of which we the locarity, but to suppose that the com- need not be at all surprised to find Tertumon occurrence of reporting this may lian, who hell the erroneous idea that sins cause the business public to give the locality committed after Baptism were peculiarly to every render who has hope in the future prevalence of Infant Baptism and recompropriety of so doing will not be questioned read an extract from Dr. Miller's work on Pearson, Proprietors. by law abiding citizens. The chronicling Infant Baptism which says "It is an unmust be a determent of course to them and clesiastical history under the name of the tack Zero with a conveness which I believe baptism of infants on the principles now when better informed will be an instruction adopted by the Antipædobaptist body." He Milburn, Bentley & Pearson, Proprietors. to even these "tientlemen," to read more also read the testimony of the zealous Bap-

He next spoke of John baptizing our Saviour and maintained that his doing so wants by one appropriating the ears and was simply ordaining Him to his Priestle the other the head. It is cause for rapar- office, and as Aaron and his sons wer tee to hear an individual pedagogue speak- not immersed, so neither is it likely the our Lord was immersed. As to John "permits" for his daily bread to the great | Baptising, taking a very moderate estimat injury of the important interests entrusted of the numbers who flocked to his baptis to him. In his own choice phrascology it would require 10 hours every working we would advise him in future to try some- day for 5 years, baptising one every 5 mir mental ability" as an instructor of our utes, to do the work, whereas John's mi youth. I sincerely hope, Mr. Editor, your listry did not last over a few months, hence colums shall continue to censure crime and | it is impossible that they could be immer folly as in the past aware that what you ed. When speaking on Romans VI. 4, some to pick their steps. Some anticipate showed very clearly that men are buric having the attention of the public called to | with Christ, not by being dipped in wat young men-the goardians of important by a pier frail mortal like themselves, b educational interests who spend their by the Holy Ghort baptising their souls an sleeping compartments over the rounds of | producing in them that faith which co. a ladder obtained from the residence of a nects the soul with Christ, both in neighboring "Squire" to the anneyance of | death and in his life.

He next discussed the mode of scriptur baptism, having read five distinct passag diction, "I hope" Gladstone "will not fell showing us that the Apostles and other annoyed at these remarks as they are were baptized by the Holy Spirit being "shed forth," "poured out," "falling," "coming upon" or "resting upon" then Model Schools and County He contended that when the water in the Fall Wheaf, per bush No. 1 \$1 05 to \$1 05 ordinance is "shed forth," "poured out," "falling," "coming upon," or "resting on" persons they are Scripturally baptised Oats Baron, says, "Reading maketh a full though not immersed.

man; conference a ready man; and writ- The concluding part was to us by far the ing an exact man." - Perhaps, by a little most important, viz. :- the Church Memmore correspondence, I may arrive at the bership of Children. He referred to the excellence of my quotation. My friend various covenants in each of which the Dmega thinks I am at sea in reference to children were always included even follows. Omega thinks I am at sea in reference to children were always included even "those the book question. I can scarcely conceive that suck the breasts," and as the church IX/ANTED for School Section No. 3 any one who has noticed the discussion in membership of children has never been rethe city papers on this question to be voked, although the sign or symbol is cerved until the 8th of November, 1879. altogether ignorant therein. If I had used changed from Circumcision to Baptism, the term multiplication of books instead of the thing signified or symbolized is the to Omega. But what matter about the ever. The same olive tree with some of precise term, providing the evil complained | the Jewish broken off and some branches | received up to Monof exists; and more, which has not been of the Gentile wild olive tree grafted in, refuted. My friend started out with the and partaking of the root and fatness of the Ground. For further particulars apply to JOHN CAMERON. bold assertion that the system was neither olive tree—the same old fold, on'y mete arbitrary nor expensive. If I replied in other of Christ's sheep brought into it, and the style of Omega, I should say at once as there is no intimation in God's Word that he misunderstood his case. Is my that children are to be excluded under the friend a Teacher himself and therefore new dispensation we rejoice in the consolafeels the importance of vindicating the sys- tion of calling upon God as our God and the tem? One thing is very noticeable that God of our seed. If this great Divine law not a solitary argument has been advanced of Infant Church Membership which has to disprove what I have written. Salaries | run through all ages of the Church is reand incidental to Inspectors, Government | pealed let the Anabaptist put his finger on Equivalents, Grants to Model Schools, the text and we are done, but this he Grants to Teachers' Associations, Compul- knows he can pever do.
