THE REVIEW. Durham, October 16, 1879.

THE CANADA PACIFIC RAILWAY.

It will be within the recollection of our readers that of all the extraordinary legislation put through the House of Commons during the last session, not the least extraordinary was the power transferred by the House to the Government, of determining everything connected with the building of the Pacific Railway.

Local and other Items.

Canadian mail slugs at Grant's. If you wish to keep your warm. Any lady wishing a well-made, good-fitting mantle can get one by buying of Grant.

Flesherton.

ACCIDENT.—A son of Hector Kennedy living about five miles east of Flesherton, while assisting at a threshing machine last Thursday, the 10th inst., at Samuel Badgerow's, was tearing the machine when he noticed the straw was coming back over the cylinder, he raised the board and put his left hand down the door to start the straw up the cylinder.

Horning's Mills.

The hum of the threshing machine is heard in all directions. We have splendid crops. Our mills are doing a great business. Huxtable had 2,900 bushels of wheat passed through his hands last week.

Dundalk Items.

Mr. Barclay, of Toronto, has started in the grain business here in the warehouse of Mr. Geo. Nixon, as high as \$112 has been paid for good wheat last week.

THE MODEL SCHOOL.

The Model School of this Town was visited on Tuesday last by G. W. Ross, Esq., M. P., Inspector of Model Schools.

County Council and the Dundalk Act.

To the Editor of the Grey Review. At the June session of the County Council of 1878 the following resolution was passed:—"Moved by Mr. Howey, seconded by Mr. Read, That the County Treasurer be instructed to hand over to the different License Inspectors the monies received under the Temperance Act of 1864."
