REVIEW THE

CAN THE PARTY

Durham, November 6, 1879.

-The Quebec Legislature was prorogued on the 31st ult. A Conservative adminis tration having been placed in power, the Legislative Council had no difficulty in passing the Supply Bill.

-Zachary Chandler, a distinguished Senator of the United States, died sudden- that he had waited on His Excellency the ly of apoplexy at his hotel in Chicago on Suturday last. The deceased was an advanced Republican and is said to have been for many years the mainstay of that party. However, great regret for his sudden death he had advised the dismissal of M. Letellier. is expressed by all parties.

selves into a League on Thursday last in eral system in roduced ander the British Toronto. The platform of the League is North America Act of 1867 was until then to consist of 1, the duty of the Government unknown in Great Britain and her colomes, to coin and issue money—a duty which it there were to recedents to guide us to a already exercises. 2, to build public works decision in the present case, and settle for and pay our foreign debts by irredeemable the future the relations between the Do-Government paper money, an undertaking minion and Provincial Governments, so which no Government in the nature of far as the office of Lieutenant-Governor was things can carry out.

-A new daily newspaper, the Port Hope Daily Times has been established in the town of Port Hope. The Times though a small sheet presents a very credible appearance It adopts as its motto-a free and united people charishing British connection, and at the same time editorially approves strongly of Conservative tactics in the Province of Quebec. The inconsistency herein presented is very difficult hot and cold just as it suits.
