ts, and landed back in Ontario as soon e locomotion at their disposal could them there. I will give you the case other. A man of the name of Keeler, Melanethon, who came out to this try last spring, brought two Entire es with him, and after travelling across ountry from Emerson to the Boyne ement, a distance of 70 miles, to Mr. ander's place, Ostrander being from County, and travelling in that dise certainly through a considerable stity of mud, and being obliged to cross e few creeks, not yet bridged, which is common in new countries, as we have yet, in many places, the advantages of detpul government or the means at our osal, to clear away those difficulties, his steeds, returned to his favourite country, and circulated

ey fine story against this country, and m informed, from reliable authority, he even stated that he found the people. is travels in great need of the necesies of life. Now, I am well acquainted! a rome of the people he stopped with, de I ere, and I am sure he got plenty to ofy his appetite. To be sure, if Le had, ere coming here, been used to feasting preserves, pies and such like dainties, would find a great change in this, as I as other things in this country, as it tainly is a rare thing to have the pleasure sit at a farmer's table, here, with the p before you. And from what little I ow of the Township Mr. Keeler came m, I am satisfied that such dainties are enzee on the Farmer's table there, as

y are in Manitoba. here is another very wrong impression he minds of many in Ontario, who have ada in Manitoba. They say if they uld receive a letter from us to the effect t we are pleased with the country and ting out generally the advantages of it great productiveness of the soil, that s all false, and that we are im misery, I that misery wants company, and that want them for neighbors, and such like iginations rise in their minds, which arefrom being correct, for it would be a scult task to get closer to settlers that re been here for two years, than 80 or

miles, and at that distance, in this

intry they would make poor neigh-

wish to say, in conclusion, that we have pod number of energetic farmers from y County, in this settlement, and alugh I have not the good fortune to hail n that County, I flatter myself that they back me up in my recommendations of country as the best field for agriculturists ome to that there is on the continent of erien, and I have yet to learn of one mer who has settled in Manitoba, that issatisfied with his move, and I am sfied that there are thousands, now in ario, paying high rents and scarcely ting a living, that would be much better c. A Farmer bringing with him from to ten hundred dollars can start and bo fortable in a few years, and be owner 20 acres of land, when, if he remains in ario, he will, in all probability, never enough to raise a bushel of beans on.

JAMES A. CURRY. emeray Town, Manitoba, Feb. 12, '80.

20 4 44 4 1 1 2 1 HALED BY A Log. - Port Jarvis, N. Y. . 22. \*In Prattsburg recently, a man sed Eldridge was cutting logs on the intain back of his house, and sliding a down to the valley, when one of a struck his house, where were his wife eight children. The log crushed through house, shattering it, killing one child, lly injuring two others, and, more or injuring all in the house. The father so overcome that it is feared his reason

throned. e Hon. Mr. Blake showed in als ch in the Commons that the sectional of Canada had increased office million
