McFARLANE, at the DURHAM

Is Agent for the Sale of the

ITHACA SELF-DISCHARGING HORSE RAKE, with Plaster-Sowing Attachment.

For Simplicity, Strength, Durability, and Ease of Adjustment this Rake is unequalled. Any boy who can drive a horse can rake with it as well as the strongest man. It was awarded the Diploma at the Toronto Industrial Exhibition, 1879; also in the County of York this Spring over all comers.

He is also Agent for the Ontario Horse Rake, the lowest priced Rake in the Market.

Call and See the Rakes.

All kinds of Implements Sold.

R. McFARLANE. Carriages, Buggies, Democrat Waggons, of the best material, good workmanship and at low prices.

MISCELLANEOUS.

The census taken last February shows that Denmark, including the Farco Isles, has 1.980,675 inhabitants. Ten years ago the total was 1,784,741.

The Albanians are making warlike demonstrations along the Greek frontier, and the gravest apprehensions are entertained at the British Embassy in Constantinople. The proposed union of Bulgaria and Eastern Roumelia threatens to take revolutionary shape.

When the census-taker, wishing to compliment, said to a citizen: "Ah, sir, you've a wife of a hundred!" the lady grabbed a rol'ing pin and sailed in on him, saying; "You villian, I told you I was only twenty-five, Don't you dare to put it down as one hund-

At Blyth, in Scotland a few days since, the sun's rays, focussed through the glass of a round water bottle, set fire to a dwelling house. The smoke and crackling noiseawoke the inmates, but the flames were not extinguished until considerable damage had been

It having been reported to the Commanderin-Chief of the British Fleet in the Mediterranean that piratical vessels have recently been committing acts of depredation in the neighborhood of Smyrna, the Standard says that Admiral Sir Beauchamp Seymour has despatched two of her majesty's ships in search of the suspected pirates.

LEADVILLE, the great mining centre of the west, must be a wonderful place. The population which is now 25,000 or 30,000, has been doubled in a year. It has waterworks, gas, graded schools, churches, a police force drink. in short almost every characteristic of an old city except a bonded debt. That, too, thus far the Leadville people have managed their corporate affairs on the pay-as-you-go principle.

A wealthy French gentleman, who owns estate at Gonesse, near Paris, has made his place a "Home for Aged Animals." All the superannuated beasts and birds that he can find are accommodated with residencos in his park and tenderly cared for. The patriarch of the collection is a mule 73 | jonyears old. There is a goose of 37, a cow of 36, and a hog of 27; while a bullfinch of 28 and a sparrow hatched in 1849 twitter in the aviary.

An American Divine has been making a statistical estimate of the power of Christanity in the United States as compared with the liquor law. Here are his figures: All Christian denominations have about \$5,500,-600 annually to home and foreign missions; the amount spent in liquor is \$600,000,600 annually. In other words the people of the United States spend as much for liquor in three days as they do for the salvation of souls in one year.

The preliminary workings for the tunnel uniting England and France have had the most satisfactory results. The promoters have sunk their shaft to the stratum in which they propose to bore the tunnel, and are now going to sink another shaft, and lower all the | The road will be about 182 miles in length machinery for the bore. In eighteen months giving a short water route to the Old Coun they expect to have reached two kilometres, try, and it is thought that grain grown about two and a quarter miles, under the Manitoba can be shipped to the English channel, and in three or four years to have market at 17 cents per bushel less than completed the task.

Mr. Gladstone entered Parliament at 23, a | At the Directors' meeting of South Leed year after leaving the university. Two years Agricultural Society Mr. George Taylo later, Sir Robert Peel made hun a Lord of the Treasury, and within a year, Under Secretary | barley be struck out, as it was heavier tha of State for the Colonies. > THE Roman Catholies of Formosa, in the county of Bruce, are building a handsome new Church, which will cost about \$30,000 when completed.

THE LONDON Field Battery, the Perth, Waterloo, Wellington and Haron Battalons went into camp at London, on June 24th, for ten days' drill. The Mount Forest Company is in the 30th Battalion, which is under the command of Col. Clarke, M. A strange story of the hardships of Rus. P. P., and Speaker of the Ontario Assem-

ANOTHER TEMPERANCE VICTORY has been in superintending the construction of a new | won in the English House of Commons. Last railway in the south of Russia, when, on Dec. Friday evening a motion for the closing of 19th last, he saw himself suddenly surrounded | public houses on sunday in England and by a body of police, and made prisoner. On | Wales was adopted by a majority of thirtybeing shown a photograph portrait, he inno- | six votes in a House of two hundred and cently exclaimed:-"Where have you got this seventy members, the vote standing one picture from? I have never had my likeness | hundred and fifty three for, and one hundred taxen." This extraordinary resemblance of and seventeen against. This is a very small his to Luis Hartmann, or rather Wolkoff- vote, but it may be that the motion being one the alleged author of the Moscow attempt on affecting England and Wales alone directly, the Emperor's life-and a sear on his right | the Irish and Scotch members refrained from hand, brought poor Neumeyer into a serious voting. At all events, it may be taken for predicament. He was put in chains, taken | granted that al! the opposition that could be to Moscow, submitted to a wearisome invest- brought forward was arrayed against the igation, then dragged across the country on motion, as the licensed victaullers of England foot to Warsaw, with no nourishment other are even more jealous of their privileges and than bread, cabbage, and spoiled fish on a more zealous than those of Canada. The journey of forty four days. After spending adoption of the motion is an expression of the about six weeks more in prison on bread and House in favor of the principle, which in water, surrounded by a low set of criminals | regular course will be embodied in a bill over awaiting transportation to Siberia, he succeed. Which the real fight will take place. It is ed in forwarding a letter to the Governor- said that the measure was opposed by the General of Polade, whose brother had former- Government; this is hardly likely, as the ly employed Neumeyer on his estates in Esth- Government is divided on the question, and onia. Thanks to Count Kotzebne's intercess- would not oppose it as a body, but if it were ion, Count Lors Melikoff allowed the poor true, it would only show that the Liberal victim to return to Germany in a penniles | members are, many of them, temporance men condition, govered with vermin, and wearing first and Liberals next, and that the temperthe same clothes in which he had been selsed, same issues are fast becoming the first issues of the times. - Montreal Witmess.

A Relic.—The Manitoulin Expositor says :- "Mr. P. A. Switzer, Inspector of Public Schools, has come into possession of a French court sword of a very antique pattern, which was dug out of a mass of decayed vegetable matter near the mouth of Thessalon River. The blade is greatly injured by rust, but the silver mounting on the hilt is as fresh and perfect as the day it was finished 180 years ago. How did it was finished 180 years ago. get to Thessalon River? How long has it been lying there?" No doubt the sword belonged to some of the French adventurers who explored all that region of country shortly after the discovery of Canada. For particulars see Parkman's histories of the Jesuits and the explorations by the French Jewellery in Canada and the States.

The effects of the Glasgow Bank failure are still painfully apparent in Scotland. Stockholders who were compelled to sacrifice their property are now in extreme poverty; the small holders who depended on New Goods! New Goods! The death is announced on Anticosti Island, their stock for an income are destitute. A in the Gulf of St. Lawrence, of Rev. Joseph | relief fund of nearly a million for their be Little (Uncle Joe), a venerable Methodist nefit has been subscribed and is held in Every day something new in Jeweltrust, but it is entirely inadequate to their The Manitoba and South-Western Railway wants. Real estate in Glasgow and other have been promised municipal bonuses, aver- cities has depreciated fully 80 per cent., aging over \$2,000 per mile, along the line be- and a great part of this decrease is attributed to the depression consequent upon the One of the simplest ways to get rid of failure of the bank. It is estimated that means of escape from the dilemma, is qui etly but widely spoken of, and the situation between land owners and tenants. It is will no doubt come in the course of time, but | the Confederation of the Argentine Repub- stated that two or three agents or pioneers of companies proposing to emigrate are al-ready in the United States.

Nearly 8,000 cotton spinners are on strike at Mossley, Eng., the master spinners having refused an advance of five per cent, on wages. The census makes the population of Utah 135,000; of Salt Lake City, 21,000.

THAT CAR. For likenesses of every kind On H. B. Jackman do call; Where pictures nice you'll ever find, To suit not one but all. His Gallery on wheels you'll find,
Now standing in your village;
And when to Jackman you do ge
Bon't come away without your visage.

He takes for Ladies and Mez, In every stile and plan, And Children's pictures take likewise; Do call on H. B. Jackmap. His prices, too, are very low,
His work it is well done;
The people all to hims hould go,
For better there are none.

If views you want of any place, Of Town or Village, House or Lot, He'll take it neat and do it cheap, Let that be ne'er forgot. Unto the people I would now.
For this you know is my plan.
Good pictures you will take away If you call on H. B. Jackman. Durham, June 29, 1880.
