Suicide at Woodstock.

On Friday morning the body of Mrs. John Ross, the wife of a well to do mechanic, Woodstock, was found in Thos. Adam's cis- thief who left no clue. tern, and the circumstances of the case, so far as can be learned at present, lead to the belief mitted suicide. On Tuesday night she remained at the bedside of a sick child belonging to a near neighbor till about eleven o'clock, morning to see if the child had lived through of 336 days' imprisonment. the night. She rose at four o'clock next his father's cistern came in and told his moth. force can be sent into the field i er that it was half full of clothes. Taking a emergency. pole or hook used for drawing water they at- | An orphan boy was found dead in a barn while the water in it is less than three feet deep. The cover of the eistern was found propped up with the pole used for drawing water, and no pail, bucket, or any other ves- The Roman Catholics have determined son to pass it. She leaves a husband and grown up family, and so far as is known she lived very happily with them. An inquest was held, and the verdict was that she came The town of Stratford is in a bad way to her death by committing suicide while labouring under a fit of insanity. *****

A Canadian's Generosity.

On Monday we had occassion to refer to the very liberaldonation made by our esteemed citizen, Mr. T. H. Hodgson, of A. Hodgson & Son, produce merchants, to a church at Brock. ville. Mr. Hodgson, however, is a regular philanthropist in his way, and his good deeds of the past eighteen months or so are worth recording, showing as they do the good uses to which wealth can be applied. During a recent visit to England, it is learnt that Mr. Hodgson paid a debt of \$1,300 on a church at Birkenhead, also raising the debt of a church at Crew, amount not stated. Three weeks ago he laid the corner stone of the Sixth Avenue Baptist Church at Brooklyn, N. Y. the Baptist and Presbyterian Churches of Brockville, Canada, he donated \$500, each, Olivet Baptist Church in this city is still re- in coal beds. membered with gratitude by the congregation. While at Liverpool last winter Mr. Hodgson started two cocca drinking temperance room?, now self supporting. The employees of the \$17,900. - Montreal Star.

-----Drunkenness and Crime.

cating drinks, provided under the shadow of branches in a perfect state of preservation drunkenness and crime-in fact that habitual drunkenness almost invariably leads to the commission of crime. I do think that the efforts of carnest men in the cause of temperance have done something to diminish the evil incident to, and it would seem inseperable from, the traffic in intoxicating drinks. Quick!" Bridget-"Shure, Mum, there's There is certainly some change in public sen. no hurry. If this one gets away, I can timent; but sustained effort is as needful as catch plenty more for ye, Mum." ever till such healthy public feeling on the OF THE LATE BISHOP AMES the following subject is formed as will justify more strin- anecdote is related. While presiding over gent enactments for the personal restraint a certain conference in the West, a member and penal control of the drunkard and for began to tirade against the universities Tweeds and Tailors' securing effective responsibility and punshment and education, thanking God that he had in the case of those who tempt their fellow creatures to crime-or, for abolishing altogether the traffic in intoxicating drink. ----

The Springers in Council.

number of about forty were present from all has a great deal to be thankful for." parts of the United States and Canada, among them being the following: Moses Springer, M. P., Waterloo; Mr. Graham, of Burling ton, was called to the chair, and Mr. Springer. of Nelson, requested to act as secretary, T. Milburn & Co. After organization, the meeting was addressed by Moses Springer, who also read a report cine—Fowler's Extract of Wild Strawshowing the position of affairs at present, and BERRY. I have sold for the last twenty years, what had been done in the past to secure the and in no case have I known it to fail to give \$80,000,000 worth of property in Wilmington, of its forms. People often tell me what it has done for them. Not long since I was at hopeful state of affairs and was unanimously Colborne Station awaiting a train, when a adopted. Mr. Moses Springer was then re-elected manager of the affairs of the heirs to this vast property, and it is hoped that he will remember you, for I shall always believe you be able to bring the business to a successful issue. He will attend a meeting to be held at some point in the United States, for the purpose of endeavoring to bring about a union pose of endeavoring to bring about a union the said his name was "Downer," and that between the Springer organization of the "some years before he had known me while neighboring Republic and the Canadian branch, which, from letters produced and read, there is reason to believe will prove ing me his trouble. Also, "that too others of

DIVORCE IN THE UNITED STATES. The divorce business is looking up. The San Francisco Chronicle says :- "Many divore. es are annually procured here, so many in

fact that the number has often excited criti-

divorce appears to be increasing in popu-

cism. The same may be said of St. Louis

of Chicago, of Cincinnatti-of every large American city, not of course excluding our great Gotham. Recently published static ties show a remarkable increase of divorces Durham, - clusive, 2,775 divorces were granted in Vermont, 7,233 in Massachusetts and 7,781 in Connecticut. Since 1870, I,966 divorces

have been granted in Rhode Island. Cor. sidering the fact that divorces were almost unknown in those States a generation or se ago, these figures are remarkable. Their proportion to the whole number of marn. ages in ilrose States also challenges atten tion, and the steady increase of this proper tion is more significant still. New England is the most conservative and old-tashioned section of the Union, and in this matter is not leading the country, but is rather following in the wake of other sections. The

THE ROYAL STANDARD. -"The English Royal standard is never carried into action even though the Sovereign in person commands the army. A heraldic manuscrist of the sixteenth century prescribes that the Royal standard "shall be set before the kynges pavillion or tente, and not be borne in battayle, and to be in leafgth !! yards." The Royal standard is never hoist ed, except when Her Majesty is on board hoisted. It is the same as that of the Queen, except that it bears a label of three points, with arms of Saxony on an escutch eon of pretense. Wherever the Sovereign

stations-home and foreign-specified in the queens regulations, but nowhere else. In France during the January and Feb. ruary frosts, at Malain, a village near Dion, celebrated for its walnut trees, whole orchards and fruit gardens were literally estroyed. In one of these frost smitter gardens at Pont de Pany, nestled in a pieuresque combe, a visitor found almost complete devastation. Not only were young apple and pear trees destroyed, but veterans of a century's growth. More extraordinary still was the devastation wrought among the walnut and oak trees, many of which, after weathering the frost for two hundred years and odd, succumbed to the winter of 1879-80.
