Work from Edmonton to prospect for gold, had is being pushed forward on the S. and H. been so lucky as to "strike it rich" at the Wisiton proposes to exempt a foundry tween Listowel and Palmerston, and it is expected will be completed to the latter taking out coarse gold at the rate of \$100 a fessing to be authorized inspectors. Low place this week.

Church Music.

SIR,-This subject is a prominent, and I might say, a vexed question, in this part of

The end of all church music is that a from a keg usually kept under the counter must have some fixed form of words and the same counter, probably leaving a small music. If every one m a congregation train of powder from where it had previsang praises in accordance with his own ously stood. As the matches were kept or frame of mind, in words and music of his own extempore composition, would we not have an infinite variety of ideas, in an infinite medley of words, given in an infinite discord of sounds; making the service of praise a perfect Babel of confusion instead this communicating with the keg would cause of-what it should be-a service in which the explosion. This seems the only way to the beauties of poetry and music are united, account for the explosion, as there was no which tends to elevate the soul above the tire in the store at the time. Mr. How and vanitis and cares of this life, and prepare it Messrs. Wm. Evertill and George Lang were to receive the impress of truth and of at the time sitting between the counters not

able to do so they must first learn to rean, place where thay were sitting is completely and then learn to sing, and anything that covered with fallen timbers of the floor above may ass'st in learning or practising the one the counter, kegs of nails, and other details of or the other is valuable. Yet there are Harvest Home Holiday near many who object to the use of an instrument to assist the voice in singing God's not so fortunate, as he was blown to the rear praises, who never object to the use of an of the store against the partition and among instrument to assist the eyes in reading the barrels and boxes standing there. Though On Friday, Sept. 10th, an examination and picnic was held in connection with S. God's Word. The principle is the same in very badly injured it is hoped he will recover

### Terrible Gunpowder Explosion in Hillsburg.

TOTAL WRECK OF A STORE

Hillsburg, Sept. 7. - The store of Wm. How. situated at the Southern extremity of this village, was the scene of a terrific explosion at about ten o'clock this forenoon. It seems that yesterday evening Mr. Edward How, son of the proprietor, had been getting powder have been accidentally knocked off, and were lying on the floor by the powder. Jo presing along behind the counter Mr. Edward How probably stepped on the matches, which isniting set fire to the train of powder, and more than ten feet from where the explosion Now it is expected that all who can are took place, and how they escaped instant death is scarcely to be comprehended. The the building. They providentially exceed with only trifling bruises, but considerable singed. Mr. Edward How, however, was keg of powder was standing beside the one

#### An Old Man Kicked to Death in Hornby.

From the Guelph Mercury.

The usually quiet little village of Hornby It is alleged that Edwards who was slightly under the influence of fiquor, became excited and called her a liar. The young man Lindsay interfered, whereupon Edwards applied some offensive epitaph to him. Lindsay Sir,-It would be necessary for me to place on the platform, during which Edwards plained of great pain. He remained in an sion that they are not to be found in the hotel, and from thence walked to his boarding

> following verdict; That James Edwards died Dayid Lindsay, jr., during a quarrel at Moore's hotel on the evening of the 27th day

> of August last. The deceased was unmarried, formerly is connection with the Church of England, but latterly connected with no religious denomination. He was occasionally known to be the worse of liquor, but was generally regarded as an intelligent, inoffensive, and industrious years of age, of rather prepossessing appear-

Green, 4th con. West Garafraxa, on the Fergus and Douglas Road, were destroyed by fire on Tuesday evening, the 7th inst. at eigdt o'clock, with all this year's crop except two loads of oats which had not been drawn in, together with buggy, sleigh,

harness, a calf, pig, etc. The origin of the fire is unknown, as there was no light about the barn that night. Insured for a small A stone house belonging to the Cassidy

last Thursday night. The fire originated through a coal oil lamp slipping from the hand of Mrs. Cassidy and breaking. The furniture was mostly all saved.

The Paris Transcript says a number of scoundrels are going around the country out for them.
