On Saturday the steamer Rhode Island, and at the time they were visited by your | Bay, Fortunately, the passengers and eres informant were awaiting the arrival of the were all saved, but the steamer, valued at

tinued series of wonderful cures in all climates has made it universally known as a safe and reliable agent to employ. Against ordinary colds, which are the forerunners of more serious disorders, it acts speedily and surely, always relieving suffering, and often saving life. The protection it affords, by its timely invaluable remedy to be kept always on hand without it, and those who have once used it never will. From their knowledge of its composition and effects, physicians use the CHERRY PECTORAL extensively in their practice, and elergymen recommend it. It is absolutely
