WHEREAS by the Act of Legislature of the Province of Ontario, incorporating the Toronto Grey and Bruce Railway Company, and the several Acts relating to the said Company, power is given to certain municipalities, to aid and assist the said Company in the way and manner in the said several Acts set forth, and by the Act passed in the third year of Her Majesty's reign, chapter 66, relating thereto, it is provided that any municipality or any portion of a township municipality, which may be interested in securing the change of gauge or construction or reconstruction of the said or through any part of which or near which the Railway or works of the said Company shall pass or be situate, may aid the said Company by giving money or debentures by way of bonus, gift or loan, or by the guarantee of the municipal corporation, under and subject to the provisions therein contained.

AND WHEREAS the Township of Proton is a municipality interested in securing the change of gauge, construction or reconstruction of said Railway, and through or near which the Railway or works of said Company are or are situate.

AND WHEREAS fifty (and upwards) persons, resident freeholders of said municipality, qualified voters under the Municipal Act, have petitioned the Council of said municipality, expressing the desire that the Corporation of the said municipality should aid and assist the said Company to enable it to change its gauge and reconstruct the said Railway by granting to the said the Toronto Grey and Bruce Railway Company a bonus to the amount of $10,000.00 (ten thousand dollars), but the Council of said municipality has considered that the amount should be reduced to $8,000.00 (eight thousand dollars).

AND WHEREAS it is expedient to grant aid by way of bonus to the amount of $8,000.00 (eight thousand dollars) in the manner stated in said petition.

AND WHEREAS for such purpose it is necessary for the said municipality to raise by way of loan the said amount of $8,000.00 (eight thousand dollars) in the manner hereinafter mentioned.

AND WHEREAS it will require the sum of $725.00 (seven hundred and twenty five dollars) raised annually by special rate on the whole Rateable property lying within the said municipality of the Township of Proton for paying the said debt and interest on the debentures to be issued therefor as hereinafter mentioned.

AND WHEREAS the amount of the whole rateable property of the municipality of the Township of Proton according to the last revised assessment roll of the said Township of Proton being for the year 1880, is $1,040,070 (one hundred and thirty thousand, one hundred and fifty-five dollars).

AND WHEREAS the amount of the existing debenture debt of said municipality is $471.00 (four thousand seven hundred and seventeen dollars) and there is nothing either of the principal or interest in arrear.

THEREFORE the Council of the Corporation of the Township of Proton enacts as follows:

(1) That the said municipality shall raise the sum of $8,000.00 (eight thousand dollars), and shall aid and assist the Toronto Grey and Bruce Railway Company by granting a bonus to said Company to the said amount of $8,000 (eight thousand dollars) for the purpose of enabling said Company to change such change of gauge, and reconstruct the Railway.
