Michael Feehly, of Biddulph murder fame, died on Thursday of the result of a cold contracted while in London attending the trial.

A startling calamity occurred at Buffalo on Tusday last week, the roof of the Central Railway depot collapsing under its weight of snow and burying beneath it a Lake Shore train loaded with passengers, besides an unknown number of others who were standing in the depot. Those on the train were protected by the cars, but the others were frightfully crushed and mutilated. At midnight four bodies had been recovered from the ruins.

As a general rule most advertised cough cures are merely palliative, and smother up a cough by the opiates they contain; not so with Hagyard's Pectoral Balsam; it is composed of soothing, loosening, and healing expectorants, prepared from harmless demulcents, roots, gums, and barks, that are not only safe but thorough and certain in their action upon the diseased mucous surfaces of the throat and lungs.—b154

The Old Reliable.

Wilson's Wild Cherry has been nick-named "The Old Reliable Cough Remedy," by a gentleman who has used it for many years, and it richly deserves the name, because its success in curing Coughs, Colds, Croup, Whooping Cough, Bronchitis, and Loss of Voice has been almost universal. For children and adults, in old standing cases and in new, it always gives immediate relief and effects a speedy cure, and is now the standard cure for these diseases. Be sure to get the genuine in White Wrappers, as there are many imitations. Sold by Druggists and Medicine Dealers.

Cracked Hands, Cracked Lips and Roughness of the Skin can be cured by a few applications of Guibourt's Parisian Balm, which only costs 25 cents, and is sold by all leading Druggists in Western Ontaria. Try it.- d154
