Durham, February 24, 1881.

-- It is satisfactory to observe that the condition of Ireland is improving. The Bill for the better protection of life and property has about passed its final stages before the Commons, and will be followed shortly by a comprehensive Land Bill. Peace and order are beginning to prevail throughout the country, and notwithstand- description of the blessings conferred upon stock of Tea just received. ing the efforts of Parnell and other agita- the country by the working of the National tors, the tenants are beginning to pay their Policy. Although the facts and the cor rents, in some cases on Griffiths' valuation, clusions of the Hon. gentleman cannot but in others in accordance with the wishes of admitted without "a grain of salt," yet the Landlords. Troubles have also sprung is satisfactory to learn that the country, up among the Land Leaguers themselves. not yet ruined, that the people are able to ruining the League, and Shaw by the other as incompetent to lead, so that it may be confidently anticipated that the lars on the operations of the year 1880— A great deal however will no doubt depend the estimated expenditure of \$25,517,000

coming popular in churches and with Clergy. men. The Rev. Dr. Talmage, a Clergyman of distinction, in New York at all events, has been lecturing in Toronto, and tickled the ears of his audience by tricks of oratory of Presbyterian "couldn't go such stuff" and on imported articles ranged from 12 to 15 gives us his matured opinion that Mark Twain was incomparably superior to Tal- raised 60 per cent above what it was before, mage both for fun and instruction. Sensationalism of a somewhat different kind creased to every family in the Dominion is being tried by Dr. Grant the learned Had the N.
