by experience to conduce largely to the welfare of the people.

The Act consolidating the Superior attempt of the Ashautees to cross. Courts of Law, establishing a uniform system of pleading and practice, and making further provision for the administration of justice, marks a new era in our judicature, ing:-Blaine, Secretary of State; Windom, and will, while simplifying legal procedure Treasurer; James, Postmaster-General; render justice more readily accessable to all classes of suitors

I trust that the Act giving greater efficiciency to the law against the illicit sale of intoxicating liquors will prove effectual in auppressing practices, which are inevitably attended with the most vicious and demoralizing associations.

The Act to make provision for the great-er safety of railway employees and the pub-lic will, I hope, prove effectual in protecting from some dangers, to which they have been hitherto exposed, a large number of Wyoming Territory, on Thursday, a large unavoidable hardships, and in the faithful number of white men and Chinamen were discharge of whose duties everyone has a killed. large interest.

est in rivers and streams, and for the reg- man who first "struck oil," but the man who ulation of timber slide companies, will re first struck Yellow Oil as a remedy, for extermove some serious difficulties connected nal and internal use, was a more fortunate with the operations of the lumbering in individual than either. Yellow Oil is par dustry; while those amending the muni- excellence the remedy for Pain, Lameness, law, and giving increased efficiency to the Bites, Stiff Joints, and all flesh wounds. Any Provincial Mutual Insurance Companies, medicine dealer can furnish it. - b156. and other measures to which I have now | The news that three members of the expeassented, as well as the numerous private dition endeavouring to cross Central Africa Acts by which the session has been distinguished, sufficiently attest the industry and practical experience of the representatives of the people in matters affecting their varied social and material interests.

I have observed with much pleasure that you have, as supplementary to previous grants to railways, voted moneys in aid of certain lines, the circumstances of which

has been made applicable to an extension life. The protection it affords, by its timely Dyas from the Transvaal into the Free of such a road to Sault Ste. Marie gives use in throat and chest disorders, make it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used to never will. From their knowledge of its came.

And all looks yellow to the fraction it affords, by its timely use in throat and chest disorders, make it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used to never will. From their knowledge of its came.

And all looks yellow to the jaundiced eye." facilitate the settlement of undeveloped position and effects, physicians use the CHERRY sections of the Province, and to afford much | PECTORAL extensively in their practice, and

I thank you for the liberality you have cure where cures are possible shown in voting the supplies necessary for the public service. They will be expended with all possible regard for economy com-bined with efficiency.

I trust that all happiness and prosperity may attend you until I again have the pleasure of inviting your advice and assist ance in the conduct of public affairs. The Provincial Secretary then said:-

lative Assembly: It is His Honor's will and pleasure that this Legislative Assembly be prorogued; and this Legislative Assembly is according

ly prorogned. His Honor then left the Chamber, and

MISCELLENEOUS.

If the limits of Brantford are extende its population will be about 14,000. Mr. Myles, Reeve of Euphrasia, has been

unseated on the ground of insufficiency of property .- A new election is ordered. The nomination in East Northumberlang and Carleton, N. B., are to take place on the 18th inst., and polling on the 25th, it. - d154

It is estimated that about 40 vessels were lost and about 200 persons drowned during the recent storm in Scotland. The snow storm bad abated some days before railway Middleton. Fost Master, of a communication was restored.

Small-pox is rampant at Ha-Ha Bay,on the Saugenay. The local medical men seem afraid or powerlss to deal with the difficulty. One hundred and thirty persons in all have been attacked by it of whom eighteen or

Sir Alexander Campbell on Monday read a telegram from Sir Alexander Galt stating that the steamer City of London, from Halifax, had been stopped in the Thames on account of the cattle being infected with foot and mouth disease. The steamer had conveyed infected cattle from the States in January last.

Eleven years ago, the then two year old child of Mr. Charles Kruger of Carrick, com plained of a great pain in the nose of whiel she could not be relieved by the attending physicians. Since that time she had re peated attacks of pain. Lately she again complained and told her mother that some of the bones were coming down. The mother with the assistance of the inevitable hairpin brought down a beechnut. This produced immediate and permanent relief. -Walkerton Telescope.

TERRIBLE LOSS OF LIFE BY THE EARTH-QUAKE .- Rome, March 6 .- The loss of life by the earthquake on the island of Ischir is appalling. Two hundred bodies have been found at Cassamacciola. Many others are under the ruins of buildings. In a village in the district of Lacece alone there are thirteen houses destroyed and five persons killed. Three hundred houses have failen at Cassamacciola. The Government is sending relief. 110 corpses were recovered, and 67 wounded were sent to the hospital. The earthquake at Cassamacciola opened fissures in streets 50 centimetres wide. Many people fled from the town and en-
