A Great Methodist Council. A meeting of the different Wesleyan bodies in Great Britain and Ireland was held on Tuesday of the week before last, in London, to consider the report of the Executive Committee and to make further arrangmements for the forthcoming Conference, Some especial difficulties had arisen in consequence of the wishes of some of the Wesleyars in the United States of America to have certain excluded by the original basis of agreement as it was accepted on both sides of the Atlanmatters discussed which had been carefully tic. Dr. Osborn moved, and Dr. Cook seconded, a resolution approving the work of For sale by all medicine dealers. -- b160. the Executive as a whole and especially in the exclusion of doctrinal discussion. The resolution was carried unanimously, and there is no doubt it will be accepted in America, and will end the temporary difficulty of questions

of doctrine, standards, and polity. It was suggested from America that Friday, August 5th, be observed as a day of special prayer by The custodianship of the gold pantry a Methodists thoughout the world for the blessing of God upon the forthcoming (Ecumenical Conference, and the convention unanimously agreed to the suggestion. Some conversation arose on the subject of the guarantee fund. The executive had agreed that the sum of £12 10s. should be raised for each representative It cures dandruff and humors, and falling-out by the body sending him, and it was agreed that the guarantee fund should amount to £2,500. The conference will consist of two general divisions, the eastern and western sections, with their affiliated conferences and offered to the public, as its effects remain a missions. The eastern section will consist of Episcopal and non-Episcopal Methodists, and used by eminent medical men, and officially the western section will consist of the Wes- endorsed by the State Assayer of Massachnleyan Conference Methodists and the Method- setts. The popularity of Hall's Hair Renewists of all other denominations. Three both in this country and in foreign lands, and working committees were appointed-the it is now known and used in all the civilized Reception Committee, the Publication Committee, and the Business Committee ; the first

TERRIBLY BURNED .- The Berlin News says :- A little girl, daughter of Mr. Amos Erb, near Bridgeport, on Sunday last was sent into the cellar for apples. She took a lamp or candle with her, and while down her coths caught on fire. Her screams brought the parents down as soon as possible, but not before she was very badly burned. Her chin and neck, from car to ear, including one ear, had all the skin agnare of the breast, also the shoulders for you. and some other parts of the body. The child suffered fearfully and Dr. Wrght was sent for as soon as possible. He at Sold by Druggists at 25 cents .- d159. once applied the usual remedies to take out the fire and stop the pain. The child is still in a dangerous state, but it is hoped she will recover.

committee having power to add to its number.

in Leeds.

TERRIBLE EARTHQUAKES .- A strong shock of earthquake was felt at Chio, in the island of that name, in the Greecian Archipelago, on Sunday. It destroyed many houses and seriously damaged nearly all the remainder. Many of the inhabitants were killed. The remainder encamped in the fields. Many neighbouring villages were destroyed. During the panie the Eastern Telegraph Company's office was pillaged. The shocks were felt in Island of Syra and at Smyrna. On Monday fresh shocks of earthquake occurred at Chio. The inhabitants are taking refuge on board the steamers. The Governor and some of the officials have quitted the town. The effects were also felt at Isme. The persons killed and injured are estimated at 5,000. The shock was also

The new union depot at Chicago will cost \$2,000,000. It will be occupied this week, The structure is an immense one, occupying several blocks.

The state of affairs in Peru is truly deplorable, the unhappy country being a prey to anarchy, disorder, and massacre. Many Chinese have been killed and millions worth of property destroyed.

The works for the porposed tunnel from Dover to Calais have made such satisfactory progress that its promoters are now able to employ three shifts of men constantly throughout the twenty-four hours, and are sanguine of being able to bore about thirty feet per day when all the machinery is completed.

A fanatical mob broke into the Protestant church at Marsala, in Italy, lately, and despite the efforts of the police, carried out all the books and furniture, of which they made a bon fire in the Psazza del Duomo On subsequently entering the cathedral they are said to have received the solemu benediction of the Archbishop and clergy. The Protestant minister, Signor Lettieri, with difficulty escaped. The Prefect of Trapans has telegraphed to the Minister of the Interior expressing the hope that the ringleaders have already been arrested.
