Hagerd's Pectoral Balsam is a purely vegetable healing balsam. It cures by loosening the phlegm and corrupt matter from the Lungs and expelling it from the system. Croup, Asthma, Bronchitis, Hoarseness, and all pectoral diseases yield to it promptly. It costs 25 cents per bottle. -b162.

More indications of gold have been found on the Ottawa. A party of explorers will leave Ottawa in the course of a few days in search of minerals. The basis of operation will be the Du Lievre district, which is very rich.

With the approach of Spring, Bilious Complaints prevail that often lead to serious results against their attack in time by using Hagerd's Blood Corrector, Regulator of the Bowels and Secretions, and the purest, most permanent Tonic in the world. For sale by all dealers. -b162.

The other day Jay Gould drew a cheque for \$2,400,000 on the Fourth National Bank of New York, being payment in full of the purchases by Gould of all right, title, and interest Thomas A. Scott had in the Texas Pacific Railroad Co., and of which corporation Mr. Gould recently was elected president.

Nothing Short of Unmistakable Benefits. Conferred upon tens of thousands of sufferers could originate and maintain the reputation which Ayer's Sarsaparilla now enjoys. It is a compound of the best vegetable alternatives, with the addition of Potassium and Iron, and is the most effectual of all remedies for Scrophulous, mureurial, or blood diseases. Uniformly successful and certain in its remedial effects, it produces rapid and complete cures of Scrophulous, Sores, Eczema, Pimples, Eruptions, Skin diseases and all disorders arising from impurity of the blood. By its invigorating effects it always relieves and often cures Liver Complaints, Female Weakness and Irregularities, and is a potent restorer of vitality. For purifying the blood it has no equal. It tones up the system, restores and preserves the health, and imparts vigor and energy. For forty years it has been in extensive use, and is to-day the most available medicine for the suffering sick, anywhere.

### Brutal Outrage.

A case has come under our notice where the inhuman father of a most promising child suffering from a violent attack of Croup, which threatened every moment to terminate fatally, actually refused to spend 25 cents upon a bottle of Wilson's Compound Syrup of Wild Cherry, although assured by a neighbor that she knew it would give the little sufferer immediate relief and effect a speedy cure. Wilson's Wild Cherry cures Coughs, Colds, Bronchitis, Catarrh, Whooping Cough, Croup in the Infant &c., and has saved many from Consumption. See certificates from well known parties on inside wrappers.

Ladies, if you wish to keep your hands soft and white, and your complexion clear and transparent, use Gouibour's Parisian Balm. It cures Chapped Hands, Cracked Lips, Tan, Freckles and Sunburn. Price 25 Cents. Sold by all Druggists. -b162.
