J. H. HUNTER.

Durham, April 27th, 1881.

Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them incline it to shed prematurely. AYER'S Hair Vigor will restore faded or gray, light or red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action. It removes dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed, or the glands decayed. Its effects are beautifully shown on brassy, weak or sickly hair, on which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft luster and richness of tone it imparts. It contains neither oil nor dye, and will not soil or color white cambric; yet it lasts long on the hair, and keeps it fresh and vigorous.

Brutal Outrage.

A case has come under our notice where the inhuman father of a most promising child suffering from a violent attack of Croup, which threatened every moment to terminate fatally, actually refused to spend 25 cents upon a bottle of Wilson's Compound Syrup of Wild Cherry, although assured by a neighbor that she knew it would give the little sufferer immediate relief and effect a speedy cure. Wilson's Wild Cherry cures Coughs, Colds, Bronchitis, Catarrh, Whooping Cough, Croup in the Head &c., and has saved many from Consumption. See certificates from well known parties on inside wrappers.

Ladies, if you wish to keep your hands soft and white, and your complexion clear and transparent, use Guibourt's Parisian Balm. It cures Chapped Hands, Cracked Lips, Tan Freckles and Sunburn. Price 25 Cents. Sold by all Druggists.—1162.
