The machine shops of the New Brunswick Railway at St. Andrew's were destroyed by fire on Monday night. The loss is estimated at $60,000.

Cause and Effect.

The main cause of nervousness is indigestion, and that is caused by weakness of the stomach. No one can have sound nerves and good health without using Hop Bitters to strengthen the stomach, purify the blood, and keep the liver and kidneys active, to carry off all the poisonous and waste matter of the system.—*Advance.*

Some Scottish body-snatcher has been trying to emulate the exploit of the ghoul who stole A. T. Stewart's body by getting away with the remains of Earl Crawford from the mortuary chapel of Dunecht House.

Hagyard's Pectoral Balsam

Cures coughs, colds, asthma, croup, whooping cough, sore throat, bronchitis and all lung complaints that lead to consumption. Price 25 cents.—b197.

Another disaster, involving serious loss of life and great damage to property, has occurred at Minneapolis. Four large flour mills and one cotton mill were destroyed by fire on Sunday morning, involving a total loss of $416,000, on which there is insurance of $267,000. An explosion in one of the mills caused the loss of five, and probably more, lives.

A Cure for Croup.

Apply flannel saturated with Hagyard's Yellow Oil and administer the Oil internally on a little sugar as directed on the bottle. Yellow Oil cures Rheumatism, Burns, Scalds, Chilblains, Lameness, and all flesh wounds. All dealers supply it, price 25 cents.—b197.
