From Canton comes the news of the
burning of a monastery by a mob, in con-
sequence of alleged immoral practices there-
in. The military had to be called out to
quell the disturbance.

No more hard times.
If you will stop spending so much on fine
clothes, rich food and style, buy good healthy
food, cheaper and better clothing, get more
real and substantial things of life every way,
and especially stop the foolish habit of em-
ploying expensive quack doctors, or using so
much of the vile humbug medicine that does
you only harm, and put your trust in that
simple, pure remedy, Hop Bitters that cures
always at a trifling cost, you will see good
times and have good health.—Chronicle.

Ayer's
Sarsaparilla
Is a compound of the virtues of sarsaparilla,
elliptic, mandrake, yellow dock, with
the iodide of potash and other powerful
blood-making, blood-cleansing, and life-
sustaining elements. It is the purest, safest,
and most effective alterative medicine
known or available to the public. The sci-
entific and chemical analysis have never
produced so valuable a remedy, and one so
potent to cure all diseases arising from
all scrofulous diseases, Eczema, Itch,
Rings, or St. Anthony's Fire, Erysipelas,
and all kinds of eruptions, Humors,
Bells, Tumors, Tetter, Scald-head,
Salt Rheum, Scald-head, Itch, Scrofula,
Ulcers, Sores, Rheumatism, Mercurial
Disorders, Neuralgia, Female Weakness,
and Irregularities, Headache,
Affections of the Liver, Dyspepsia,
Emaciation, and General Debility.
By its searching and cleansing qualities
it purges out the foul corrupting matter
which accumulates in the blood, and causes
derangement and disease. It stimulates and
restores the vital functions, promotes energy
and strength, restores and preserves health,
and cures new life and vigor throughout the
whole system. No sufferer from any dis-
ease which arises from impurity of the
blood need despair while they give AYER'S
SARSAPARILLA a fair trial.

It is fully to experiment with the numer-
ous low-priced mixtures of cheap materials,
and without medicinal virtues, often on
blood-purifiers, while disease becomes in-
curable. It is a medicine of such concentra-
tion and power, that it is by far the best, clearest,
and most reliable blood-purifier known.
Physicians know its composition, and pre-
scribe it. It has been widely used, and
countless of millions whom it has benefited.
