POETRY

For all the earth calls proudly great;

I would not change my humble home For kingly rank, or queenly state. I would not change my husband's love For all that earth can give of fame;

Nor barter his approving smile

To wreathe a halo around my name! I would not change my child's sweet glance For all the love earth's wealth could gain ; Nor change the certain bliss I feel. For all ambition might obtain.

May He, who gave me these good gifts, Send down His blessing of content; Preserve my treasured ones in health. Or give us strength if ills be sent.
