Shrewdness and Ability.
Hop Bitters so freely advertised in all the papers, secular and religious, having a large sale, and are supplanting all other Bitters. There is no denying the virtues of the Hop plant, and the proprietors of these Bitters have shown great shrewdness and ability in compounding a Bitters, whose virtues are palpable to every one's observation.—*Examiner and Chronicle.*

The Insect Population.—The number of various insects is vastly greater than that of all living creatures. The oak supports 450 species of insects, 200 are found in the pine. Humboldt, in 1849, calculated that between 150,000 and 170,000 specimens were preserved in collections, but exact estimates of the present number at about 750,000 species.

Hagerd's Yellow Oil
Will be found invaluable for all purposes of a family medicine. Immediate relief will follow its use. It relieves pain, cures chilblains, frost bites, scabs, burns, corns, rheumatism, neuralgia, &c. For internal use it is none the less wonderful. One or two doses frequently cure sore throat. It will cure crump in a few minutes. A few bottles has often cured asthma. Colic has been cured by a teaspoonful dose. It cures with the utmost rapidity, it is really a wonderful medicine.—1207.

A tragedy occurred on Friday night in a Detroit saloon, by which a young man of highly respectable parentage, though himself bearing an infamous reputation, was shot through the heart and almost instantaneously killed. The circumstances surrounding the event are of the saddest character, and point a moral with great force.

A Reliable Remedy
Hagerd's Pectoral Balsam is the best cure for coughs, colics, sore throat, asthma, croup, bronchitis, and all troubles arising from neglected colds. Price 25 cents.—1207.
