Workings.
Before you begin your heavy spring work after a winter of relaxation, your system needs cleansing and strengthening to prevent an attack of Ague, Bilious or Spring Fever, or some other Spring sickness that will unfit you for a season's work. You will save time, much sickness and great expense if you will use one bottle of Hop Bitters in your family this month. Don't wait.—Burlington Hawk eye.

Members! Mothers! Mothers!!!
Are you distressed at night and bedden of your rest by a sick child suffering and crying with the secretions from the bowels? If so, go at once and get a bottle of Dr. WINSLOW'S SOOTHING Symply. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child. It is like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere. 25 cents a bottle.

At Long Ridge, Virginia, a negro vaccinated himself and several others with small-pox scab. There are fifty cases of small-pox there now, and many deaths have occurred.

Supposed Invention.
Some shrewd Yankee has invented a key that will wind any watch; it is a neat attachment to a chain, and it is said to work like a charm. So does that grand Key to Health—BARKER'S BLOOD PURIFIER, the greatest discovery of the age. It unlocks all the secretions, and cleanses and invigorates the entire system. Sample bottles, 10 cents; larger size, \$1.00 of all medicine dealers. c299.
