Workingmen,

Before you begin your heavy spring work after a winter of relaxation, your system needs cleansing and strengthening to prevent an attack of Ague, Bilious or Spring Fever, or some other Spring sickness that will unfit you for a season's work. You will save time, much sickness and great expense if you will use one bottle of Hop Bitters in your family this month. Don't wait.—*Burlington Hawk-eye.*

Mothers! Mothers!! Mothers!!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of Mrs. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere. 25 cents a bottle. y207

Ingenious Invention.

Some shrewd Yankee has invented a key that will wind any watch; it is a neat attachment to a charm, and it is said to work like a charm. So does that grand Key to Health—Burdock Blood Bitters, the greatest discovery of the age. It unlocks all the secretions, and cleanses and invigorates the entire system. Sample bottles, 10 cents; larger size, $1.00 of all medicine dealers. c209.

Building Lots

—IN THE—

TOWN of DURHAM, County GREY, No. 3, 4, 5, 6, 7, 8, Hunter's Survey, East Side Garafraxa St., North of Jackson St.

THESE Lots are beautifully situated on the principal Street, in Upper Town, opposite the residence of Geo. Jackson, Esq., they are even, have been used as a Cricket ground, and are near to where the principal Produce is brought into the Town for sale. Since the opening of the Railway to the Town of Durham it has become one of the best Markets in Ontario and at no distant day, with its splendid water powers, will become a manufacturing place of note. J. H. Hunter, Esq., is now erecting a commodious Store-house at the Station, 80 x 40, three stories high, and others contemplate buildings of a similar kind. Durham is noted for its splendid stores and Hotels. This is a far safer investment than Manitoba Lots. The advertiser solicits an offer for one or all the Lots. Apply at this Office or to
